	APPENDIX A: Summary of Changes to the 2008 DOC Financial Assistance Standard Terms and Conditions.....	42

## **PREFACE**

The recipient and any subrecipients must, in addition to the assurances made as part of the application, comply and require each of its contractors and subcontractors employed in the completion of the project to comply with all applicable statutes, regulations, executive orders (E.O.s), Office of Management and Budget (OMB) circulars, terms and conditions, and approved applications.

This award is subject to the laws and regulations of the United States. Any inconsistency or conflict in terms and conditions specified in the award will be resolved according to the following order of precedence: public laws, regulations, applicable notices published in the *Federal Register*, E.O.s, OMB circulars, Department of Commerce (DOC) Financial Assistance Standard Terms and Conditions, agency standard award conditions (if any), and special award conditions. Special award conditions may amend or take precedence over DOC standard terms and conditions, on a case-by-case basis, when allowed by the DOC standard term and condition.

Some of the DOC terms and conditions herein contain, by reference or substance, a summary of the pertinent statutes, or regulations published in the *Federal Register* or Code of Federal Regulations (C.F.R.), E.O.s, OMB circulars or the assurances (Forms SF-424B and SF- 424D). To the extent that it is a summary, such provision is not in derogation of, or an amendment to, any such statute, regulation, E.O., OMB circular, or assurance.

## **A. FINANCIAL REQUIREMENTS**

### **.01 Financial Reports**

- a. The recipient shall submit a “Federal Financial Report” (Form SF-425) on a semi-annual basis for the periods ending March 31 and September 30, or any portion thereof, unless otherwise specified in a special award condition. Reports are due no later than 30 days following the end of each reporting period. A final Form SF-425 shall be submitted within 90 days after the expiration of the project period.
- b. The reports must be submitted to the Grants Officer electronically, or in hard copy (no more than an original and two copies), in accordance with the award conditions.

### **.02 Award Payments**

- a. Consistent with 15 C.F.R. §§ 14.22 and 24.21, the advance method of payment shall be authorized unless otherwise specified in a special award condition. The Grants Officer determines the appropriate method of payment. Payments will be made through electronic funds transfers directly to the recipient’s bank account and in accordance with the requirements of the Debt Collection Improvement Act of 1996 and the Cash Management Improvement Act. The DOC Award Number must be included on all payment-related correspondence, information, and forms.

- b. When the “Request for Advance or Reimbursement” (Form SF-270) is used to request payment, the recipient shall submit the request no more frequently than monthly, and advances shall be approved for periods to cover only expenses anticipated over the next 30 days. The recipient must complete Forms SF-3881, “ACH Vendor Miscellaneous Payment Enrollment Form,” and SF-270 and submit forms to the Grants Officer. Form SF-3881 enrollment must be completed before the first award payment can be made via a Form SF-270 request.
- c. Unless otherwise provided for in the award terms, payments under this award will be made using the Department of Treasury’s Automated Standard Application for Payment (ASAP) system. Under the ASAP system, payments are made through preauthorized electronic funds transfers, in accordance with the requirements of the Debt Collection Improvement Act of 1996. In order to receive payments under ASAP, recipients are required to enroll with the Department of Treasury, Financial Management Service, Regional Financial Centers, which allows them to use the on-line and Voice Response System (VRS) method of withdrawing funds from their ASAP established accounts. The following information will be required to make withdrawals under ASAP: (1) ASAP account number – the award number found on the cover sheet of the award; (2) Agency Location Code (ALC); and Region Code. Recipients enrolled in the ASAP system do not need to submit a “Request for Advance or Reimbursement” (Form SF-270), for payments relating to their award. Awards paid under the ASAP system will contain a special award condition, clause, or provision describing enrollment requirements and any controls or withdrawal limits set in the ASAP system.
- d. Advances shall be limited to the minimum amounts necessary to meet immediate disbursement needs, but in no case should advances exceed the amount of cash required for a 30-day period. Advanced funds not disbursed in a timely manner and any applicable interest must be promptly returned to DOC. If a recipient demonstrates an unwillingness or inability to establish procedures that will minimize the time elapsing between the transfer of funds and disbursement or if the recipient otherwise fails to continue to qualify for the advance method of payment, the Grants Officer may change the method of payment to reimbursement only.

### **.03 Federal and Non-Federal Sharing**

- a. Awards that include Federal and non-Federal sharing incorporate a budget consisting of shared allowable costs. If actual allowable costs are less than the total approved budget, the Federal and non-Federal cost shares shall be calculated by applying the approved Federal and non-Federal cost share ratios to actual allowable costs. If actual allowable costs are greater than the total approved budget, the Federal share shall not exceed the total Federal dollar amount authorized by the award.
- b. The non-Federal share, whether in cash or in-kind, is to be paid out at the same general rate as the Federal share. Exceptions to this requirement may be granted by the Grants Officer based on sufficient documentation demonstrating previously determined plans for, or later commitment of, cash or in-kind contributions. In any case, the recipient must meet its cost share commitment over the life of the award. The recipient must create and maintain

sufficient records justifying all non-federal sharing requirements to facilitate questions and audits, see Section D, “Audits,” for audit requirements.

#### **.04 Budget Changes and Transfer of Funds among Categories**

- a. Requests for budget changes to the approved estimated budget in accordance with the provision noted below must be submitted to the Grants Officer who shall make the final determination on such requests and notify the recipient in writing.
- b. Transfers of funds by the recipient among direct cost categories are permitted for awards in which the Federal share of the project is \$100,000 or less. For awards in which the Federal share of the project exceeds \$100,000, transfers of funds among direct cost categories must be approved in writing by the Grants Officer when the cumulative amount of such direct costs transfers exceed 10 percent of the total Federal and non-Federal funds authorized by the Grants Officer. The 10 percent threshold applies to the total Federal and non-Federal funds authorized by the Grants Officer at the time of the transfer request. This is the accumulated amount of Federal funding obligated to date by the Grants Officer along with any non-Federal share. The same requirements apply to the cumulative amount of transfer of funds among programs, functions, and activities. Transfers will not be permitted if such transfers would cause any Federal appropriation, or part thereof, to be used for purposes other than those intended. This transfer authority does not authorize the recipient to create new budget categories within an approved budget unless the Grants Officer has provided prior approval. In addition, this does not prohibit the recipient from requesting Grants Officer approval for revisions to the budget. *See* 15 C.F.R. § 14.25 and 15 C.F.R. § 24.30 (as applicable) for specific requirements concerning budget revisions and transfer of funds between budget categories.
- c. The recipient is not authorized at any time to transfer amounts budgeted for direct costs to the indirect costs line item or vice versa, without written prior approval of the Grants Officer.

#### **.05 Indirect Costs and Facilities and Administrative Costs**

- a. Indirect costs, or facilities and administrative (F&A) costs for educational institutions, will not be allowable charges against an award unless permitted under the award and specifically included as a line item in the award’s approved budget.
- b. Excess indirect costs may not be used to offset unallowable direct costs.
- c. OMB established the cognizant agency concept, under which a single agency represents all others in dealing with grantees in common areas. The cognizant agency reviews and approves grantees’ indirect cost rates. Approved rates must be accepted by other agencies, unless specific program regulations restrict the recovery of indirect costs. If indirect costs are permitted and the recipient would like to include indirect costs in its budget, but the recipient has not previously established an indirect cost rate with a Federal agency, the

negotiation and approval of a rate is subject to the procedures in the applicable cost principles and the following subparagraphs:

1. (a) State, local, and Indian Tribal Governments; Educational Institutions; Hospitals and Non-Profit Organizations (Non-Commercial Organizations)
  - i. State and Local Governments: Department of Health and Human Services (HHS) serves as the cognizant agency for all States and most cities. For certain State agencies, cities and counties, OMB published a list of cognizant Federal agency assignments on January 6, 1986 (51 FR 552). The cognizant agency for governmental units or agencies not specifically identified by OMB will be determined based on the Federal agency providing the largest amount of Federal funds. *See* Subsection D.1.b. of Appendix E to 2 C.F.R. Part 225 (OMB Circular A-87);
  - ii. Indian Tribes: Department of the Interior serves as the cognizant agency for all Indian tribal governments. *See* Subsection D.1.c. of Appendix E to 2 C.F.R. Part 225 (OMB Circular A-87);
  - iii. Educational Institutions: Department of Health and Human Services or the Department of Defense's Office of Naval Research serves as the cognizant agency for educational institutions as determined in accordance with Subsection G.11. of Appendix A to 2 C.F.R. Part 220 (OMB Circular A-21);
  - iv. Non-Profit Organizations: Cognizant agency is determined by calculating which Federal agency provides the largest dollar amount of awards to the non-profit organization in accordance with Subsection E.2. of Appendix A to 2 C.F.R. Part 230 (OMB Circular A-122); and
  - v. Hospitals: Department of Health and Human Services serves as the main cognizant agency for hospitals. *See* Appendix E to 45 C.F.R. Part 74.

For those organizations for which DOC is cognizant or has oversight, DOC or its designee will either negotiate a fixed rate with carry-forward provisions for the recipient or, in some instances, will limit its review to evaluating the procedures described in the recipient's cost allocation plan. Indirect cost rates and cost allocation methodology reviews are subject to future audits to determine actual indirect costs.

(b) Commercial Organizations

For commercial organizations, the term "cognizant Federal agency" generally is defined as the agency that provides the largest dollar amount of negotiated contracts, including options. *See* 48 C.F.R. Part 42. If the only Federal funds received by a commercial organization are DOC award funds, then DOC becomes the cognizant Federal agency for the purpose of indirect cost negotiations. For those organizations for which DOC is cognizant, DOC or its designee will negotiate a fixed rate with carry-forward provisions for the recipient. Fixed rate means an indirect cost rate that has the same characteristics as a pre-determined rate, except that the difference between the estimated costs and the

actual costs of the period covered by the rate is carried forward as an adjustment to the rate computation of the subsequent period.

DOC or its designee will negotiate indirect cost rates using the cost principles found in 48 C.F.R. Part 31, "Contract Cost Principles and Procedures." For guidance on how to put an indirect cost plan together go to:

<http://www.dol.gov/oasam/programs/boc/costdeterminationguide/main.htm>

2. Within 90 days of the award start date the recipient shall submit to the address listed below documentation (indirect cost proposal, cost allocation plan, etc.) necessary to perform the review. The recipient shall provide the Grants Officer with a copy of the transmittal letter.

Office of Acquisition Management  
U.S. Department of Commerce  
14<sup>th</sup> Street and Constitution Avenue, N.W., Room 6412  
Washington, DC 20230

3. The recipient can use the fixed rate proposed in the indirect cost plan until such time as the DOC provides a response to the submitted plan. Actual indirect costs must be calculated annually and adjustments made through the carry-forward provision used in calculating next year's rate. This calculation of actual indirect costs and the carry-forward provision is subject to audit. Indirect cost rate proposals must be submitted annually. Organizations that have previously established indirect cost rates must submit a new indirect cost proposal to the cognizant agency within six months after the close of each of the recipients' fiscal years.
- d. When DOC is not the oversight or cognizant Federal agency, the recipient shall provide the Grants Officer with a copy of a negotiated rate agreement or a copy of the transmittal letter submitted to the cognizant or oversight Federal agency requesting a negotiated rate agreement.
- e. If the recipient fails to submit the required documentation to DOC within 90 days of the award start date, the Grants Officer may amend the award to preclude the recovery of any indirect costs under the award. If the DOC, oversight, or cognizant Federal agency determines there is a finding of good and sufficient cause to excuse the recipient's delay in submitting the documentation, an extension of the 90-day due date may be approved by the Grants Officer.
- f. The maximum dollar amount of allocable indirect costs for which DOC will reimburse the recipient shall be the lesser of:

1. The line item amount for the Federal share of indirect costs contained in the approved award budget, including all budget revisions approved in writing by the Grants Officer; or
2. The Federal share of the total indirect costs allocable to the award based on the indirect cost rate approved by a cognizant or oversight Federal Agency and applicable to the period in which the cost was occurred, provided that the rate is approved on or before the award end date.

#### **.06 Incurring Costs or Obligating Federal Funds beyond the Expiration Date**

- a. The recipient shall not incur costs or obligate funds for any purpose pertaining to the operation of the project, program, or activities beyond the project period, which is the period established in the award document during which Federal sponsorship begins and ends. *See, e.g., 15 C.F.R. § 14.2(cc).* The only costs which are authorized for a period of up to 90 days following the end of the project period are those strictly associated with close-out activities. Close-out activities are normally limited to the preparation of final progress, financial, and required project audit reports unless otherwise approved in writing by the Grants Officer. The Grants Officer may approve extensions of the 90-day closeout period upon a request by the recipient as provided in 15 C.F.R. §§ 14.71 and 24.50.
- b. Unless otherwise authorized in 15 C.F.R. § 14.25(e)(2) or a special award condition, any extension of the project period can only be authorized by the Grants Officer in writing. Verbal or written assurances of funding from anyone other than the Grants Officer shall not constitute authority to obligate funds for programmatic activities beyond the end of the project period.
- c. The DOC has no obligation to provide any additional prospective funding. Any amendment of the award to increase funding and to extend the project period is at the sole discretion of DOC.

#### **.07 Tax Refunds**

Refunds of Federal Insurance Contributions Act (FICA) or Federal Unemployment Tax Act (FUTA) taxes received by the recipient during or after the project period must be refunded or credited to DOC where the benefits were financed with Federal funds under the award. The recipient agrees to contact the Grants Officer immediately upon receipt of these refunds. The recipient further agrees to refund portions of FICA/FUTA taxes determined to belong to the Federal Government, including refunds received after the project period ends.

## **B. PROGRAMMATIC REQUIREMENTS**

### **.01 Performance (Technical) Reports**

- a. The recipient shall submit performance (technical) reports electronically or in hard copy (no more than an original and two copies), in accordance with the award conditions, to the Federal Program Officer. Performance Reports should be submitted in the same frequency as the Federal Financial Report (Form SF-425), unless otherwise authorized by the Grants Officer.
- b. Performance (technical) reports shall contain brief information as prescribed in the applicable uniform administrative requirements incorporated into the award, unless otherwise specified in the award provisions.

### **.02 Unsatisfactory Performance**

Failure to perform the work in accordance with the terms of the award and maintain at least a satisfactory performance rating or equivalent evaluation may result in designation of the recipient as high risk and assignment of special award conditions or other further action as specified in the standard term and condition entitled “Non-Compliance with Award Provisions.”

### **.03 Programmatic Changes**

The recipient shall report programmatic changes to the Program Officer who forwards the request to the Grants Officer, and shall request prior approvals in accordance with 15 C.F.R. § 14.25 or 15 C.F.R. § 24.30, as applicable.

### **.04 Other Federal Awards with Similar Programmatic Activities**

The recipient shall immediately provide written notification to the Federal Program Officer and the Grants Officer in the event that, subsequent to receipt of the DOC award, other financial assistance is received to support or fund any portion of the scope of work incorporated into the DOC award. DOC will not pay for costs that are funded by other sources.

### **.05 Non-Compliance with Award Provisions**

Failure to comply with any or all of the provisions of the award may have a negative impact on future funding by DOC and may be considered grounds for any or all of the following actions: establishment of an account receivable, withholding payments under any DOC awards to the recipient, changing the method of payment from advance to reimbursement only, or the imposition of other special award conditions, suspension of any active DOC awards, and termination of any active DOC awards.

### **.06 Prohibition against Assignment by the Recipient**

The recipient shall not transfer, pledge, mortgage, or otherwise assign the award, or any interest therein, or any claim arising thereunder, to any party or parties, banks, trust companies, or other financing or financial institutions without the express written approval of the Grants Officer.

## **.07 Disclaimer Provisions**

- a. The United States expressly disclaims any and all responsibility or liability to the recipient or third persons for the actions of the recipient or third persons resulting in death, bodily injury, property damages, or any other losses resulting in any way from the performance of this award or any subaward or subcontract under this award.
- b. The acceptance of this award by the recipient does not in any way constitute an agency relationship between the United States and the recipient.

## **C. NON-DISCRIMINATION REQUIREMENTS**

No person in the United States shall, on the ground of race, color, national origin, handicap, age, religion, or sex, be excluded from participation in, be denied the benefits of, or be subject to discrimination under any program or activity receiving Federal financial assistance. The recipient agrees to comply with the non-discrimination requirements below:

### **.01 Statutory Provisions**

- a. Title VI of the Civil Rights Act of 1964 (42 U.S.C. §§ 2000d *et seq.*) and DOC implementing regulations published at 15 C.F.R. Part 8 prohibiting discrimination on the grounds of race, color, or national origin under programs or activities receiving Federal financial assistance;
- b. Title IX of the Education Amendments of 1972 (20 U.S.C. §§ 1681 *et seq.*) prohibiting discrimination on the basis of sex under Federally assisted education programs or activities;
- c. The Americans with Disabilities Act of 1990 (42 U.S.C. §§ 12101 *et seq.*) prohibiting discrimination on the basis of disability under programs, activities, and services provided or made available by state and local governments or instrumentalities or agencies thereto, as well as public or private entities that provide public transportation;
- d. Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. § 794), and DOC implementing regulations published at 15 C.F.R. Part 8b prohibiting discrimination on the basis of handicap under any program or activity receiving or benefiting from Federal assistance:

Revised ADA Standards for Accessible Design for Construction Awards: The U.S. Department of Justice has issued revised regulations implementing Title II of the Americans with Disabilities Act (ADA) (28 C.F.R. part 35; 75 FR 56164, as amended by 76 FR 13285) and Title III of the ADA (28 C.F.R. part 36; 75 FR 56164, as amended by 76 FR 13286). The revised regulations adopted new enforceable accessibility standards called the “2010 ADA Standards for Accessible Design” (2010 Standards). The 2010 Standards are an acceptable alternative to the Uniform Federal Accessibility Standards (UFAS). DOC deems compliance with the 2010 Standards to be an acceptable means of complying with the

Section 504 accessibility requirements for new construction and alteration projects under 15 C.F.R. § 8b.18(c), as follows:

1. Public Recipients subject to Title II of the ADA may use either the 2010 Standards or UFAS where the physical construction or alternations commence on or after September 15, 2010 and before March 15, 2012 (see 28 C.F.R. § 35.151(c)(2)); and
2. Private Recipients subject to Title III of the ADA may use either the 2010 Standards or UFAS if the date when the last application for a building permit or permit extension is certified to be complete by a State, county, or local government (or, in those jurisdictions where the government does not certify completion of applications, if the date when the last application for a building permit or permit extension is received by the State, county, or local government) is on or after September 15, 2010 and before March 15, 2012, or if no permit is required, if the start of physical construction or alterations occurs on or after September 15, 2010 and before March 15, 2012 (see 28 C.F.R. § 36.406(a)(2)).

In all cases, once a recipient selects an applicable ADA accessibility standard (i.e., the 2010 Standards or UFAS), that standard must be applied to the entire facility.

As of March 15, 2012, all new construction and alteration projects must comply with the 2010 Standards.

- e. The Age Discrimination Act of 1975, as amended (42 U.S.C. §§ 6101 *et seq.*), and DOC implementing regulations published at 15 C.F.R. Part 20 prohibiting discrimination on the basis of age in programs or activities receiving Federal financial assistance;
- f. Any other applicable non-discrimination law(s).

## **.02 Other Provisions**

- a. Parts II and III of Executive Order (E.O.) 11246, “Equal Employment Opportunity,” (30 FR 12319, 1965), as amended by E.O. 11375 (32 FR 14303, 1967) and E.O. 12086 (43 FR 46501, 1978), requiring Federally assisted construction contracts to include the nondiscrimination provisions of §§ 202 and 203 of that E.O. and Department of Labor regulations implementing E.O. 11246 (41 C.F.R. § 60-1.4(b), 1991).
- b. Executive Order 13166 (August 11, 2000), “Improving Access to Services for Persons With Limited English Proficiency,” requiring Federal agencies to examine the services provided, identify any need for services to those with limited English proficiency (LEP), and develop and implement a system to provide those services so LEP persons can have meaningful access to them, and DOC policy guidance issued on March 24, 2003 (68 FR 14180) to Federal financial assistance recipients on the Title VI prohibition against national origin discrimination affecting LEP persons.

### **.03 Title VII Exemption for Religious Organizations**

Generally, Title VII of the Civil Rights Act of 1964, 42 U.S.C. § 2000e *et seq.*, provides that it shall be an unlawful employment practice for an employer to discharge any individual or otherwise to discriminate against an individual with respect to compensation, terms, conditions, or privileges of employment because of such individual's race, color, religion, sex, or national origin. However, Title VII, 42 U.S.C. § 2000e-1(a), expressly exempts from the prohibition against discrimination on the basis of religion, a religious corporation, association, educational institution, or society with respect to the employment of individuals of a particular religion to perform work connected with the carrying on by such corporation, association, educational institution, or society of its activities.

## **D. AUDITS**

Under the Inspector General Act of 1978, as amended, 5 U.S.C. App. 3, § 1 *et seq.*, an audit of the award may be conducted at any time. The Inspector General of the DOC, or any of his or her duly authorized representatives, shall have access to any pertinent books, documents, papers, and records of the recipient, whether written, printed, recorded, produced, or reproduced by any electronic, mechanical, magnetic, or other process or medium, in order to make audits, inspections, excerpts, transcripts, or other examinations as authorized by law. When the DOC Office of Inspector General (OIG) requires a program audit on a DOC award, the OIG will usually make the arrangements to audit the award, whether the audit is performed by OIG personnel, an independent accountant under contract with DOC, or any other Federal, State, or local audit entity.

### **.01 Organization-Wide, Program-Specific, and Project Audits**

- a. Organization-wide or program-specific audits shall be performed in accordance with the Single Audit Act Amendments of 1996, as implemented by OMB Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations." Recipients that are subject to the provisions of OMB Circular A-133 and that expend \$500,000 or more in a year in Federal awards shall have an audit conducted for that year in accordance with the requirements contained in OMB Circular A-133. A copy of the audit shall be submitted to the Bureau of the Census, which has been designated by OMB as a central clearinghouse, by electronic submission to the Federal Audit Clearinghouse website <http://harvester.census.gov/sac/>. If it is necessary to submit by paper, the address for submission is:

Federal Audit Clearinghouse  
Bureau of the Census  
1201 E. 10th Street  
Jeffersonville, IN 47132

- b. Unless otherwise specified in the terms and conditions of the award, in accordance with 15 C.F.R. § 14.26(c) and (d), for-profit hospitals, commercial entities, and other

organizations not required to follow the audit provisions of OMB Circular A-133 shall have a program specific audit performed by an independent auditor when the Federal share amount awarded is \$500,000 or more over the duration of the project period. An audit is required at least once every two years using the following schedule for audit report submission:

1. For awards where the project period is less than two years, an audit is required within 90 days of the end of the project period to cover the entire project (the award close-out period is included in the 90 days);
2. For awards with a two- or three-year project period, an audit is required within 90 days after the end of the first year to cover Year 1, which is the period of time when Federal funding is available for obligation by the recipient, and within 90 days of the end of the project period to cover Year 2 and Year 3 (if applicable) (the award close-out period is included in the 90 days); or
3. For awards with a four- to five-year project period, an audit is required within 90 days after the end of the first year to cover Year 1, within 90 days after the end of the third year to cover Year 2 and Year 3, and within 90 days of the end of the project period to cover Year 4 and Year 5 (if applicable) (the award close-out period is included in the 90 days).

Some DOC programs have specific audit guidelines that will be incorporated into the award. When DOC does not have a program-specific audit guide available for the program, the auditor will follow the requirements for a program-specific audit as described in OMB Circular A-133, § .235. The recipient may include a line item in the budget for the cost of the audit for approval. A copy of the program-specific audit shall be submitted to the Grants Officer and to the OIG at [NonFederalAudits@OIG.DOC.GOV](mailto:NonFederalAudits@OIG.DOC.GOV) or if e-mail is unavailable, submission to the OIG can be made at the following address:

Office of Inspector General  
U.S. Department of Commerce  
Atlanta Regional Office of Audits  
401 West Peachtree Street, N.W., Suite 2742  
Atlanta, GA 30308

## **.02 Audit Resolution Process**

- a. An audit of the award may result in the disallowance of costs incurred by the recipient and the establishment of a debt (account receivable) due DOC. For this reason, the recipient should take seriously its responsibility to respond to all audit findings and recommendations with adequate explanations and supporting evidence whenever audit results are disputed.
- b. In accordance with the *Federal Register* notice dated January 27, 1989 (54 FR 4053), a recipient whose award is audited has the following opportunities to dispute the proposed disallowance of costs and the establishment of a debt:

1. Unless the Inspector General determines otherwise, the recipient has 30 days from the date of the transmittal of the draft audit report to submit written comments and documentary evidence.
2. The recipient has 30 days from the date of the transmittal of the final audit report to submit written comments and documentary evidence. There will be no extension of this deadline.
3. The DOC shall review the documentary evidence submitted by the recipient and shall notify the recipient of the results in an *Audit Resolution Determination Letter*. The recipient has 30 days from the date of receipt of the *Audit Resolution Determination Letter* to submit a written appeal. There will be no extension of this deadline. The appeal is the last opportunity for the recipient to submit written comments and documentary evidence that dispute the validity of the audit resolution determination.
4. An appeal of the Audit Resolution Determination does not prevent the establishment of the audit-related debt nor does it prevent the accrual of interest on the debt. If the Audit Resolution Determination is overruled or modified on appeal, appropriate corrective action will be taken retroactively. An appeal will stay the offset of funds owed by the auditee against funds due to the auditee.
5. The DOC shall review the recipient's appeal and notify the recipient of the results in an *Appeal Determination Letter*. After the opportunity to appeal has expired or after the appeal determination has been rendered, DOC will not accept any further documentary evidence from the recipient. No other administrative appeals are available in DOC.

## **E. DEBTS**

### **.01 Payment of Debts Owed the Federal Government**

Any debts determined to be owed the Federal Government shall be paid promptly by the recipient. DOC debt collection procedures are set out in 15 C.F.R. Part 19. In accordance with 15 C.F.R. § 19.1, delinquent debt is a debt that has not been paid by the date specified in the agency's initial written demand for payment or applicable agreement or instrument (including a post-delinquency payment agreement) unless other satisfactory payment arrangements have been made. In accordance with 15 C.F.R. § 19.5 and 31 U.S.C. § 3717, failure to pay a debt by the due date, or if there is no due date, within 30 days of the billing date, shall result in the assessment of interest, penalties and administrative costs in accordance with the provisions of 31 U.S.C. § 3717 and 31 C.F.R. § 901.9. Commerce entities will transfer any Commerce debt that is more than 180 days delinquent to the Financial Management Service for debt collection services, a process known as "cross-servicing," pursuant 31 U.S.C. § 3711(g), 31 C.F.R. § 285.12 and 15 C.F.R. § 19.9, and may result in DOC taking further action as specified in the standard term and condition entitled "Non-Compliance With Award Provisions." Funds for

payment of a debt must not come from other Federally-sponsored programs. Verification that other Federal funds have not been used will be made, e.g., during on-site visits and audits.

## **.02 Late Payment Charges**

- a. Interest shall be assessed on the delinquent debt in accordance with section 3717(a) of the Debt Collection Act (see 31 U.S.C. § 3701 *et seq.* for the entire Debt Collection Act), as amended. The minimum annual interest rate to be assessed is the Department of the Treasury's Current Value of Funds Rate (CVFR). The CVFR is available online at <http://www.fms.treas.gov/cvfr/index.html>. The CVFR is published by the Department of the Treasury in the *Federal Register* (<http://www.gpo.gov/fdsys/browse/collection.action?collectionCode=FR>) and in the *Treasury Financial Manual Bulletin*. The assessed rate shall remain fixed for the duration of the indebtedness.
- b. Penalties shall accrue at a rate of not more than 6 percent per year or such other higher rate as authorized by law.
- c. Administrative charges, that is, the costs of processing and handling a delinquent debt, shall be determined by the Commerce entity collecting the debt, as directed by the Office of the Commerce Deputy Chief Financial Officer.

## **.03 Barring Delinquent Federal Debtors from Obtaining Federal Loans or Loan Insurance Guarantees**

Pursuant to 31 U.S.C. § 3720B and 31 C.F.R. § 901.6, unless waived, the DOC is not permitted to extend financial assistance in the form of a loan, loan guarantee, or loan insurance to any person delinquent on a nontax debt owed to a Federal agency. This prohibition does not apply to disaster loans.

## **.04 Effect of Judgment Lien on Eligibility for Federal Grants, Loans, or Programs**

Pursuant to 28 U.S.C. § 3201(e), unless waived by the DOC, a debtor who has a judgment lien against the debtor's property for a debt to the United States shall not be eligible to receive any grant or loan that is made, insured, guaranteed, or financed directly or indirectly by the United States or to receive funds directly from the Federal Government in any program, except funds to which the debtor is entitled as beneficiary, until the judgment is paid in full or otherwise satisfied.

## **F. GOVERNMENTWIDE DEBARMENT AND SUSPENSION**

The recipient shall comply with the provisions of Subpart C of 2 C.F.R. Part 1326, "Nonprocurement Debarment and Suspension" (published in the *Federal Register* on December

21, 2006, 71 FR 76573), which generally prohibit entities that have been debarred, suspended, or voluntarily excluded from participating in Federal nonprocurement transactions either through primary or lower tier covered transactions, and which sets forth the responsibilities of recipients of Federal financial assistance regarding transactions with other persons, including subrecipients and contractors.

## **G. DRUG-FREE WORKPLACE**

The recipient shall comply with the provisions of the Drug-Free Workplace Act of 1988 (Pub. L. No. 100-690, Title V, Sec. 5153, as amended by Pub. L. No. 105-85, Div. A, Title VIII, Sec. 809, as codified at 41 U.S.C. § 8102) and DOC implementing regulations published at 15 C.F.R. Part 29 “Governmentwide Requirements for Drug-Free Workplace (Financial Assistance),” which require that the recipient take steps to provide a drug-free workplace.

## **H. LOBBYING RESTRICTIONS**

### **.01 Statutory Provisions**

The recipient shall comply with the provisions of 31 U.S.C. § 1352 and DOC implementing regulations published at 15 C.F.R. Part 28, “New Restrictions on Lobbying.” These provisions prohibit the use of Federal funds for lobbying the Executive or Legislative Branches of the Federal Government in connection with the award, and require the disclosure of the use of non-Federal funds for lobbying.

### **.02 Disclosure of Lobbying Activities**

The recipient receiving in excess of \$100,000 in Federal funding shall submit a completed Form SF-LLL, “Disclosure of Lobbying Activities,” regarding the use of non-Federal funds for lobbying. The Form SF-LLL shall be submitted within 30 days following the end of the calendar quarter in which there occurs any event that requires disclosure or that materially affects the accuracy of the information contained in any disclosure form previously filed. The recipient must submit any required Forms SF-LLL, including those received from subrecipients, contractors, and subcontractors, to the Grants Officer.

## **I. CODES OF CONDUCT AND SUBAWARD, CONTRACT, AND SUBCONTRACT PROVISIONS**

### **.01 Code of Conduct for Recipients**

Pursuant to the certification in Form SF-424B, paragraph 3, the recipient must maintain written standards of conduct to establish safeguards to prohibit employees from using their positions for

a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain in the administration of this award.

## **.02 Applicability of Award Provisions to Subrecipients**

- a. The recipient shall require all subrecipients, including lower tier subrecipients, under the award to comply with the provisions of the award, including applicable cost principles, administrative, audit requirements, and all associated terms and conditions.
- b. A recipient is responsible for subrecipient monitoring, including the following:
  1. **Award Identification.** At the time of the award, identifying to the subrecipient the Federal award information (e.g., CFDA title and number, award name, name of Federal agency) and applicable compliance requirements.
  2. **During-the-Award Monitoring.** Monitoring the subrecipient's use of Federal awards through reporting, site visits, regular contact, or other means to provide reasonable assurance that the subrecipient administers Federal awards in compliance with applicable laws, regulations, and the provisions of contracts or grant agreements and that performance goals are achieved.
  3. **Subrecipient Audits.** Ensuring that subrecipients expending \$500,000 or more in Federal awards during the subrecipient's fiscal year have met the audit requirements of OMB Circular A-133, and that the required audits are completed within 9 months of the end of the subrecipient's audit period. In addition, the recipient is required to issue a management decision on audit findings within 6 months after receipt of the subrecipient's audit report, and ensuring that the subrecipient takes timely and appropriate corrective action on all audit findings. In cases of continued inability or unwillingness of a subrecipient to have the required audits, the pass-through entity shall take appropriate action using sanctions.

## **.03 Competition and Codes of Conduct for Subawards**

- a. All subawards will be made in a manner to provide, to the maximum extent practicable, open and free competition. The recipient must be alert to organizational conflicts of interest as well as other practices among subrecipients that may restrict or eliminate competition. In order to ensure objective subrecipient performance and eliminate unfair competitive advantage, subrecipients that develop or draft work requirements, statements of work, or requests for proposals shall be excluded from competing for such subawards.
- b. The recipient shall maintain written standards of conduct governing the performance of its employees engaged in the award and administration of subawards. No employee, officer, or agent shall participate in the selection, award, or administration of a subaward supported by Federal funds if a real or apparent conflict of interest would be involved. Such a conflict would arise when the employee, officer, or agent, any member of his or her immediate

family, his or her partner, or an organization in which he/she serves as an officer or which employs or is about to employ any of the parties mentioned in this section, has a financial interest or other interest in the organization selected or to be selected for a subaward. The officers, employees, and agents of the recipient shall neither solicit nor accept anything of monetary value from subrecipients. However, the recipient may set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value. The standards of conduct shall provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the recipient.

- c. A financial interest may include employment, stock ownership, a creditor or debtor relationship, or prospective employment with the organization selected or to be selected for a subaward. An appearance of impairment of objectivity could result from an organizational conflict where, because of other activities or relationships with other persons or entities, a person is unable or potentially unable to render impartial assistance or advice. It could also result from non-financial gain to the individual, such as benefit to reputation or prestige in a professional field.

#### **.04 Applicability of Provisions to Subawards, Contracts, and Subcontracts**

- a. The recipient shall include the following notice in each request for applications or bids for a subaward, contract, or subcontract, as applicable:

*Applicants/bidders for a lower tier covered transaction (except procurement contracts for goods and services under \$25,000 not requiring the consent of a DOC official) are subject to 2 C.F.R. Part 1326, Subpart C “Governmentwide Debarment and Suspension (Nonprocurement).” In addition, applicants/bidders for a lower tier covered transaction for a subaward, contract, or subcontract greater than \$100,000 of Federal funds at any tier are subject to 15 C.F.R. Part 28, “New Restrictions on Lobbying.” Applicants/bidders should familiarize themselves with these provisions, including the certification requirement. Therefore, applications for a lower tier covered transaction must include a Form CD-512, “Certification Regarding Lobbying--Lower Tier Covered Transactions,” completed without modification.*

- b. The recipient shall include a term or condition in all lower tier covered transactions (subawards, contracts, and subcontracts), that the award is subject to Subpart C of 2 C.F.R. Part 1326, “Nonprocurement Debarment and Suspension.”
- c. The recipient shall include a statement in all lower tier covered transactions (subawards, contracts, and subcontracts) exceeding \$100,000 in Federal funds, that the subaward, contract, or subcontract is subject to 31 U.S.C § 1352, as implemented at 15 C.F.R. Part 28, “New Restrictions on Lobbying.” The recipient shall further require the subrecipient, contractor, or subcontractor to submit a completed “Disclosure of Lobbying Activities” (Form SF-LLL) regarding the use of non-Federal funds for lobbying. The Form SF-LLL shall be submitted within 15 days following the end of the calendar quarter in which there

occurs any event that requires disclosure or that materially affects the accuracy of the information contained in any disclosure form previously filed. The Form SF-LLL shall be submitted from tier to tier until received by the recipient. The recipient must submit all disclosure forms received, including those that report lobbying activity on its own behalf, to the Grants Officer within 30 days following the end of the calendar quarter.

### **.05 Small Businesses, Minority Business Enterprises and Women's Business Enterprises**

### **.06 Subaward and/or Contract to a Federal Agency**

- a. The recipient, subrecipient, contractor, and/or subcontractor shall not sub-grant or sub-contract any part of the approved project to any agency or employee of DOC and/or other Federal department, agency, or instrumentality without the prior written approval of the Grants Officer.
- b. Requests for approval of such action must be submitted to the Federal Program Officer who shall review and make a recommendation to the Grants Officer. The Grants Officer must forward all requests to the Federal Assistance Law Division in the Office of the Department of Commerce Assistant General Counsel for Finance and Litigation for review prior to making the final determination. The Grants Officer will notify the recipient in writing of the final determination.

## **J. PROPERTY**

### **.01 Standards**

The recipient shall comply with the property management standards as stipulated in the uniform administrative requirements set forth in 15 C.F.R. §§ 14.30 - 14.37 and 15 C.F.R. §§ 24.31 - 24.34.

## **.02 Real and Personal Property**

A recipient holds all real property and tangible and intangible personal property that it acquires or improves, in whole or in part, with funds made available under a DOC financial assistance award in trust for the public purposes for which the award was made. This trust relationship exists throughout the duration of the property's estimated useful life, as determined by the Grants Officer in consultation with the Program Office, during which time the Federal Government retains an undivided, equitable reversionary interest in the property (Federal Interest). During the duration of the Federal Interest, the recipient shall comply with all use and disposition requirements and restrictions as set forth in 15 C.F.R. §§ 14.30 – 14.37 and 15 C.F.R. §§ 24.31 – 24.34, as applicable, and in the terms and conditions of the financial assistance award. The Grants Officer may require a recipient to execute a security interest or other public notice of record to indicate that real or personal property acquired or improved in whole or in part with Federal funds is subject to the Federal Interest, and that certain use and disposition requirements apply to the property. The security interest or other public notice must be acceptable in form and substance to the DOC and must be perfected and placed of record in accordance with applicable State and local law, with continuances re-filed as appropriate. In such cases, the Grants Officer may further require the recipient to provide the DOC with a written statement from a licensed attorney in the jurisdiction where the property is located certifying that the Federal Interest has been protected, as required under the award and in accordance with applicable State and local law. The attorney's statement, along with a copy of the instrument reflecting the recordation of the Federal Interest, shall be returned to the Grants Officer. The Grants Officer may elect not to release any or a portion of the Federal award funds until the recipient has complied with this provision any other applicable award terms or conditions, unless other arrangements satisfactory to the Grants Officer are made.

The Grants Officer may require the recipient to submit Form SF-428, Tangible Personal Property Report, and/or Form SF-429, Real Property Status Report, including applicable attachments to each form, in connection with the reporting of tangible personal property or of real property acquired or improved, in whole or in part, under a DOC financial assistance award, or of Federally-owned property that is in the recipient's custody pursuant to a DOC financial assistance award. The Grants Officer may also require the recipient to submit Form SF-428 and/or Form SF-429 in connection with a recipient's request to acquire, encumber, dispose of, or any other action or activity pertaining to tangible personal property or to real property acquired or improved, in whole or in part, under a DOC financial assistance award or to Federally-owned property.

## **K. ENVIRONMENTAL REQUIREMENTS**

Environmental impacts must be considered by Federal decision makers in their decisions whether or not to: (1) approve a proposal for Federal assistance; (2) approve the proposal with mitigation; or (3) approve a different proposal/grant having less adverse environmental impacts. Federal environmental laws require that the funding agency initiate an early planning process

that considers potential impacts that projects funded with Federal assistance may have on the environment. The recipient and subrecipients must comply with all environmental standards, to include those prescribed under the following statutes and E.O.s, and shall identify to the awarding agency any impact the award may have on the environment. In some cases, award funds can be withheld by the Grants Officer under a special award condition requiring the recipient to submit additional environmental compliance information sufficient to enable the DOC to make an assessment on any impacts that a project may have on the environment.

### **.01 The National Environmental Policy Act (42 U.S.C. § 4321 *et seq.*)**

The National Environmental Policy Act (NEPA) and the Council on Environmental Quality (CEQ) implementing regulations (40 C.F.R. Parts 1500 through 1508) require that an environmental analysis be completed for all major Federal actions significantly affecting the environment. NEPA applies to the actions of Federal agencies and may include a Federal agency's decision to fund non-Federal projects under grants and cooperative agreements when the award activities remain subject to Federal authority and control. Recipients of Federal assistance are required to identify to the awarding agency any impact an award will have on the quality of the human environment, and assist the agency in complying with NEPA. Recipients may also be requested to assist DOC in drafting an environmental assessment or environmental impact statement if DOC determines such documentation is required. Until such time as the appropriate NEPA documentation is complete, funds can be withheld by the Grants Officer under a special award condition requiring the recipient to submit the appropriate NEPA documentation sufficient to enable DOC to make an assessment on any impacts that a project may have on the environment. In the event that any additional information is required during the project period in order to assess any impacts that a project may have on the environment, funds can be withheld by the Grants Officer under a special award condition requiring the recipient to submit such additional environmental compliance information sufficient to enable DOC to make the requisite assessment.

### **.02 National Historic Preservation Act (16 U.S.C. § 470 *et seq.*)**

Section 106 of the National Historic Preservation Act (NHPA) (16 U.S.C. § 470f) and the Advisory Council on Historic Preservation implementing regulations (36 C.F.R. Part 800) require that Federal agencies take into account the effects of their undertakings on historic properties. Recipients of Federal funding are required to identify to the awarding agency any effects the award may have on properties included on or eligible for inclusion on the National Register of Historic Places. Recipients may also be requested to assist DOC in consulting with State or Tribal Historic Preservation Officers or other applicable interested parties necessary to identify, assess and resolve adverse effects to historic properties. Until such time as the appropriate NHPA consultations and documentation is complete, funds can be withheld by the Grants Officer under a special award condition requiring the recipient to fully comply with the requirement of the NHPA. In the event that any additional information is required during the project period in order to assess any impacts that a project may have on historic properties, funds can be withheld by the Grants Officer under a special award condition requiring the recipient to submit such additional information sufficient to enable DOC to make the requisite assessment.

**.03 Executive Order 11988 (“Floodplain Management”) and Executive Order 11990 (“Protection of Wetlands”)**

Recipients must identify proposed actions in Federally defined floodplains and wetlands to enable DOC to make a determination whether there is an alternative to minimize any potential harm.

**.04 Clean Air Act (42 U.S.C. § 7401 *et seq.*), Federal Water Pollution Control Act (33 U.S.C. § 1251 *et seq.*) (Clean Water Act), and Executive Order 11738 (“Providing for administration of the Clean Air Act and the Federal Water Pollution Control Act with respect to Federal contracts, grants or loans”)**

Recipients must comply with the provisions of the Clean Air Act (42 U.S.C. § 7401 *et seq.*), Clean Water Act (33 U.S.C. § 1251 *et seq.*), and E.O. 11738, and shall not use a facility on the Environmental Protection Agency’s (EPA) List of Violating Facilities (this list is incorporated into the Excluded Parties List System located at <https://www.sam.gov/portal/public/SAM/>) in performing any award that is nonexempt under 2 C.F.R. § 1532, and shall notify the Program Officer in writing if it intends to use a facility that is on the EPA List of Violating Facilities or knows that the facility has been recommended to be placed on the List.

**.05 The Flood Disaster Protection Act (42 U.S.C. § 4002 *et seq.*)**

Flood insurance, when available, is required for Federally assisted construction or acquisition in flood-prone areas.

**.06 The Endangered Species Act (16 U.S.C. § 1531 *et seq.*)**

Recipients must identify any impact or activities that may involve a threatened or endangered species. Federal agencies have the responsibility to ensure that no adverse effects to a protected species or habitat occur from actions under Federal assistance awards and conduct the reviews required under the Endangered Species Act, as applicable.

**.07 The Coastal Zone Management Act (16 U.S.C. § 1451 *et seq.*)**

Funded projects must be consistent with a coastal State’s approved management program for the coastal zone.

**.08 The Coastal Barriers Resources Act (16 U.S.C. § 3501 *et seq.*)**

Only in certain circumstances can Federal funding be provided for actions within a Coastal Barrier System.

**.09 The Wild and Scenic Rivers Act (16 U.S.C. § 1271 *et seq.*)**

This Act applies to awards that may affect existing or proposed components of the National Wild and Scenic Rivers system.

**.10 The Safe Drinking Water Act of 1974, as amended, (42 U.S.C. § 300f *et seq.*)**

This Act precludes Federal assistance for any project that the EPA determines may contaminate a sole source aquifer so as to threaten public health.

**.11 The Resource Conservation and Recovery Act (42 U.S.C. § 6901 *et seq.*)**

This Act regulates the generation, transportation, treatment, and disposal of hazardous wastes, and also provides that recipients of Federal funds give preference in their procurement programs to the purchase of recycled products pursuant to EPA guidelines.

**.12 The Comprehensive Environmental Response, Compensation, and Liability Act (Superfund) (42 U.S.C. § 9601 *et seq.*) and the Community Environmental Response Facilitation Act (41 U.S.C. § 11001 *et seq.*)**

These requirements address responsibilities related to hazardous substance releases, threatened releases and environmental cleanup. There are also reporting and community involvement requirements designed to ensure disclosure of the release or disposal of regulated substances and cleanup of hazards to state and local emergency responders.

**.13 Executive Order 12898 (“Environmental Justice in Minority Populations and Low Income Populations”)**

Federal agencies are required to identify and address the disproportionately high and adverse human health or environmental effects of Federal programs, policies, and activities on low income and minority populations.

## **L. MISCELLANEOUS REQUIREMENTS**

### **.01 Criminal and Prohibited Activities**

- a. The Program Fraud Civil Remedies Act (31 U.S.C. § 3801 *et seq.*), provides for the imposition of civil penalties against persons who make false, fictitious, or fraudulent claims to the Federal Government for money (including money representing grants, loans, or other benefits).

- b. The False Claims Amendments Act and the False Statements Act (18 U.S.C. §§ 287 and 1001, respectively), provide that whoever makes or presents any false, fictitious, or fraudulent statement, representation, or claim against the United States shall be subject to imprisonment of not more than five years and shall be subject to a fine in the amount provided by 18 U.S.C. § 287.
- c. The Civil False Claims Act (31 U.S.C. § 3729 *et seq.*), provides that suits can be brought by the government, or a person on behalf of the government, for false claims made under Federal assistance programs.
- d. The Copeland “Anti-Kickback” Act (18 U.S.C. § 874), prohibits a person or organization engaged in a Federally supported project from enticing an employee working on the project from giving up a part of his compensation under an employment contract. The Copeland “Anti-Kickback” Act also applies to contractors and subcontractors pursuant to 40 U.S.C. § 3145.

## **.02 Foreign Travel**

- a. The recipient shall comply with the provisions of the Fly America Act (49 U.S.C. § 40118). The implementing regulations of the Fly America Act are found at 41 C.F.R. §§ 301-10.131 through 301-10.143.
- b. The Fly America Act requires that Federal travelers and others performing U.S. Government-financed air travel must use U.S. flag air carriers, to the extent that service by such carriers is available. Foreign air carriers may be used only in specific instances, such as when a U.S. flag air carrier is unavailable, or use of U.S. flag air carrier service will not accomplish the agency’s mission.
- c. One exception to the requirement to fly U.S. flag carriers is transportation provided under a bilateral or multilateral air transport agreement, to which the United States Government and the government of a foreign country are parties, and which the Department of Transportation has determined meets the requirements of the Fly America Act pursuant to 49 U.S.C. § 40118(b). The United States Government has entered into bilateral/multilateral “Open Skies Agreements” (U.S. Government Procured Transportation) that allow federal funded transportation services for travel and cargo movements to use foreign air carriers under certain circumstances. There are multiple “Open Skies Agreements” currently in effect. For more information about the current bilateral and multilateral agreements, visit the GSA website <http://www.gsa.gov/portal/content/103191>. Information on the Open Skies agreements (U.S. Government Procured Transportation) and other specific country agreements may be accessed via the Department of State’s website <http://www.state.gov/e/eeb/tra/>.
- d. If a foreign air carrier is anticipated to be used for any portion of travel under a DOC financial assistance award the recipient must receive prior approval from the Grants Officer. When requesting such approval, the recipient must provide a justification in accordance with

guidance provided by 41 C.F.R. § 301-10.142, which requires the recipient to provide the Grants Officer with the following: name; dates of travel; origin and destination of travel; detailed itinerary of travel; name of the air carrier and flight number for each leg of the trip; and a statement explaining why the recipient meets one of the exceptions to the regulations. If the use of a foreign air carrier is pursuant to a bilateral agreement, the recipient must provide the Grants Officer with a copy of the agreement or a citation to the official agreement available on the GSA website. The Grants Officer shall make the final determination and notify the recipient in writing. Failure to adhere to the provisions of the Fly America Act will result in the recipient not being reimbursed for any transportation costs for which the recipient improperly used a foreign air carrier.

### **.03 American-Made Equipment and Products**

Recipients are hereby notified that they are encouraged, to the greatest extent practicable, to purchase American-made equipment and products with funding provided under this award.

### **.04 Intellectual Property Rights**

- a. Inventions. Unless otherwise provided by law, the rights to any invention made by a recipient under a DOC financial assistance award are determined by the Bayh-Dole Act, Pub. L. No. 96-517, as amended, and as codified in 35 U.S.C. § 200 *et seq.*, except as otherwise required by law. The specific requirements governing the development, reporting, and disposition of rights to inventions and patents resulting from financial assistance awards are described in more detail in 37 C.F.R. Part 401 and in particular, in the standard patent rights clause in 37 C.F.R. § 401.14, which is hereby incorporated by reference into this award.

1. Ownership.

- (a) Recipient. The recipient has the right to elect to retain title to any invention it makes (conceived or first actually reduced to practice) or is made by its employees. A recipient that is a non-profit organization, which includes a university or other institution of higher learning, may not assign to a third party its rights to such an invention without the permission of DOC unless that assignment is to a patent management organization (i.e., a university's Research Foundation.) The recipient's ownership rights are subject to the Government's nonexclusive, nontransferable, irrevocable, paid-up license and other rights.
- (b) Department. If the recipient elects not to retain title, fails to disclose the invention to the agency within the required time limits, or does not file a patent application within the time limits set forth in the standard patent rights clause, DOC may request an assignment of all rights, which is normally subject to a limited royalty free nonexclusive revocable license for the recipient. DOC owns any invention made solely by its employees, but

may license the recipient in accordance with the procedures in 37 C.F.R. Part 404.

- (c) Inventor/Employee. If neither the recipient nor DOC is interested in owning an invention by a recipient employee, the recipient, with the written concurrence of DOC, may allow the inventor/employee to retain ownership of the invention subject to certain restrictions as described in 37 C.F.R. § 401.9.
- (d) Joint inventions. Inventions made jointly by a recipient and a DOC employee will be owned jointly by the recipient and DOC. However, DOC may transfer or license its rights to the recipient as authorized by 35 U.S.C. § 202(e) and 37 C.F.R. § 401.10 if the recipient is willing to patent and license the invention usually in exchange for a share of “net” royalties based on the number of inventors (e.g., 50-50 if there is one recipient inventor and one DOC employee inventor). The agreement will be prepared by DOC and may include other provisions, such as a royalty free license to the Government and certain other entities. The provision at 35 U.S.C. § 202(e) also authorizes the recipient to transfer its rights to the Government, which can agree to share royalties similarly as described above.

2. Responsibilities - iEdison. The recipient has responsibilities and duties set forth in the standard patent rights clause, which are not described below. The recipient is expected to comply with all the requirements of the standard patent rights clause and 37 C.F.R. Part 401. Recipients of DOC financial assistance awards are required to submit their disclosures and elections electronically using the Interagency Edison extramural invention reporting system (iEdison) at [www.i Edison.gov](http://www.i Edison.gov). Recipients may obtain a waiver of this electronic submission requirement by providing to DOC compelling reasons for allowing the submission of paper copies of reports related to inventions.

b. Patent Notification Procedures.

Pursuant to E.O. 12889, DOC is required to notify the owner of any valid patent covering technology whenever the DOC or its financial assistance recipients, without making a patent search, knows (or has demonstrable reasonable grounds to know) that technology covered by a valid United States patent has been or will be used without a license from the owner. To ensure proper notification, if the recipient uses or has used patented technology under this award without a license or permission from the owner, the recipient must notify the Grants Officer.

This notice does not necessarily mean that the Government authorizes and consents to any copyright or patent infringement occurring under the financial assistance award.

c. Data, Databases, and Software.

The rights to any work produced or purchased under a DOC Federal financial assistance award are determined by 15 C.F.R. § 24.34, for State and Local Governments, and 15 C.F.R. § 14.36, for Institutions of Higher Education, Hospitals, Other Non-Profit, and Commercial Organizations. Such works may include data, databases or software. The recipient owns any work produced or purchased under a DOC Federal financial assistance award subject to DOC's right to obtain, reproduce, publish or otherwise use the work or authorize others to receive, reproduce, publish or otherwise use the data for Government purposes.

d. Copyright.

The recipient may copyright any work produced under a DOC Federal financial assistance award subject to DOC's royalty-free nonexclusive and irrevocable right to reproduce, publish or otherwise use the work, or authorize others to do so for Government purposes. Works jointly authored by DOC and recipient employees may be copyrighted but only the part authored by the recipient is protected because, under 17 U.S.C. § 105, works produced by Government employees are not copyrightable in the United States. On occasion, DOC may require the recipient to transfer to DOC its copyright in a particular work for government purposes or when DOC is undertaking the primary dissemination of the work. Ownership of copyright by the Government through assignment is permitted by 17 U.S.C. § 105.

## **.05 Increasing Seat Belt Use in the United States**

Pursuant to E.O. 13043, recipients should encourage employees and contractors to enforce on-the-job seat belt policies and programs when operating company-owned, rented, or personally owned vehicles.

## **.06 Research Involving Human Subjects**

- a. All proposed research involving human subjects must be conducted in accordance with 15 C.F.R. Part 27, "Protection of Human Subjects." No research involving human subjects is permitted under this award unless expressly authorized by special award condition, or otherwise in writing by the Grants Officer.
- b. Federal policy defines a human subject as a living individual about whom an investigator conducting research obtains (1) data through intervention or interaction with the individual, or (2) identifiable private information. Research means a systematic investigation, including research development, testing and evaluation, designed to develop or contribute to generalizable knowledge.
- c. DOC regulations at 15 C.F.R. Part 27 require that recipients maintain appropriate policies and procedures for the protection of human subjects. In the event it becomes evident that human subjects may be involved in this project, the recipient shall submit appropriate documentation to the Federal Program Officer for approval by the appropriate DOC officials. This documentation may include:

1. Documentation establishing approval of the project by an institutional review board (IRB) approved for Federal-wide use under Department of Health and Human Services guidelines (*see also* 15 C.F.R. § 27.103);
  2. Documentation to support an exemption for the project under 15 C.F.R. § 27.101(b);
  3. Documentation to support deferral for an exemption or IRB review under 15 C.F.R. § 27.118;
  4. Documentation of IRB approval of any modification to a prior approved protocol or to an informed consent form.
- d. No work involving human subjects may be undertaken, conducted, or costs incurred and/or charged for human subjects research, until the appropriate documentation is approved in writing by the Grants Officer. Notwithstanding this prohibition, work may be initiated or costs incurred and/or charged to the project for protocol or instrument development related to human subjects research.

#### **.07 Federal Employee Expenses**

Federal agencies are generally barred from accepting funds from a recipient to pay transportation, travel, or other expenses for any Federal employee. Use of award funds (Federal or non-Federal) or the recipient's provision of in-kind goods or services, for the purposes of transportation, travel, or any other expenses for any Federal employee may raise appropriation augmentation issues. In addition, DOC policy prohibits the acceptance of gifts, including travel payments for Federal employees, from recipients or applicants regardless of the source.

#### **.08 Minority Serving Institutions Initiative**

Pursuant to E.O.s 13555 (“White House Initiative on Educational Excellence for Hispanics”), 13270 (“Tribal Colleges and Universities”), and 13532 (“Promoting Excellence, Innovation, and Sustainability at Historically Black Colleges and Universities”), DOC is strongly committed to broadening the participation of minority serving institutions (MSIs) in its financial assistance programs. DOC’s goals include achieving full participation of MSIs in order to advance the development of human potential, strengthen the Nation’s capacity to provide high-quality education, and increase opportunities for MSIs to participate in and benefit from Federal financial assistance programs. DOC encourages all applicants and recipients to include meaningful participation of MSIs. Institutions eligible to be considered MSIs are listed on the Department of Education website.

#### **.09 Research Misconduct**

The DOC adopts, and applies to financial assistance awards for research, the Federal Policy on Research Misconduct (Federal Policy) issued by the Executive Office of the President’s Office of Science and Technology Policy on December 6, 2000 (65 Fed. Reg. 76260 (2000)). As

provided for in the Federal Policy, research misconduct refers to the fabrication, falsification, or plagiarism in proposing, performing, or reviewing research, or in reporting research results. Research misconduct does not include honest errors or differences of opinion. Recipient organizations that conduct extramural research funded by DOC must foster an atmosphere conducive to the responsible conduct of sponsored research by safeguarding against and resolving allegations of research misconduct. Recipient organizations also have the primary responsibility to prevent, detect, and investigate allegations of research misconduct and, for this purpose, may rely on their internal policies and procedures, as appropriate, to do so. Federal award funds expended on an activity that is determined to be invalid or unreliable because of research misconduct may result in appropriate enforcement action under the award, up to and including award termination and possible suspension or debarment. The DOC requires that any allegation that contains sufficient information to proceed with an inquiry be submitted to the Grants Officer, who will also notify the OIG of such allegation. Once the recipient organization has investigated the allegation, it will submit its findings to the Grants Officer. The DOC may accept the recipient's findings or proceed with its own investigation. The Grants Officer shall inform the recipient of the DOC's final determination.

## **.10 Publications, Videos and Acknowledgment of Sponsorship**

- a. Publication of results or findings in appropriate professional journals and production of video or other media is encouraged as an important method of recording, reporting and otherwise disseminating information and expanding public access to federally-funded projects (*e.g.*, scientific research).
- b. Recipients may be required to submit a copy of any publication materials, including but not limited to print, recorded or Internet materials, to the funding agency.
- c. When releasing information related to a funded project, recipients must include a statement that the project or effort undertaken was or is sponsored by DOC.
- d. Recipients are responsible for assuring that every publication of material based on, developed under, or otherwise produced under a DOC financial assistance award, except scientific articles or papers appearing in scientific, technical or professional journals, contains the following disclaimer or other disclaimer approved by the Grants Officer:

*This [report/video/etc.] was prepared by [recipient name] using Federal funds under award [number] from [name of operating unit], U.S. Department of Commerce. The statements, findings, conclusions, and recommendations are those of the author(s) and do not necessarily reflect the views of the [name of operating unit] or the U.S. Department of Commerce.*

## **.11 Care and Use of Live Vertebrate Animals**

Recipients must comply with the Laboratory Animal Welfare Act of 1966, as amended, (Pub. L. No. 89-544, 7 U.S.C. § 2131 *et seq.*) (animal acquisition, transport, care, handling, and

use in projects), and implementing regulations, 9 C.F.R. Parts 1, 2, and 3; the Endangered Species Act (16 U.S.C. § 1531 *et seq.*); Marine Mammal Protection Act (16 U.S.C. § 1361 *et seq.*) (taking possession, transport, purchase, sale, export or import of wildlife and plants); the Nonindigenous Aquatic Nuisance Prevention and Control Act (16 U.S.C. § 4701 *et seq.*) (ensure preventive measures are taken or that probable harm of using species is minimal if there is an escape or release); and all other applicable statutes pertaining to the care, handling, and treatment of warm-blooded animals held for research, teaching, or other activities supported by Federal financial assistance. No research involving vertebrate animals is permitted under any DOC financial assistance award unless authorized by the Grants Officer.

## **.12 Homeland Security Presidential Directive 12**

If the performance of a grant award requires recipient organization personnel to have routine access to Federally-controlled facilities and/or Federally-controlled information systems (for purpose of this term “routine access” is defined as more than 180 days), such personnel must undergo the personal identity verification credential process. In the case of foreign nationals, the DOC will conduct a check with U.S. Citizenship and Immigration Services’ (USCIS) Verification Division, a component of the Department of Homeland Security (DHS), to ensure the individual is in a lawful immigration status and that he or she is eligible for employment within the United States. Any items or services delivered under a financial assistance award shall comply with DOC personal identity verification procedures that implement Homeland Security Presidential Directive 12, “Policy for a Common Identification Standard for Federal Employees and Contractors”, FIPS PUB 201, and OMB Memorandum M-05-24. The recipient shall ensure that its subrecipients and contractors (at all tiers) performing work under this award comply with the requirements contained in this term. The Grants Officer may delay final payment under an award if the subrecipient or contractor fails to comply with the requirements listed in the term below. The recipient shall insert the following term in all subawards and contracts when the subaward recipient or contractor is required to have routine physical access to a Federally-controlled facility or routine access to a Federally-controlled information system:

- a. *The subrecipient or contractor shall comply with DOC personal identity verification procedures identified in the subaward or contract that implement Homeland Security Presidential Directive 12 (HSPD-12), Office of Management and Budget (OMB) Guidance M-05-24, as amended, and Federal Information Processing Standards Publication (FIPS PUB) Number 201, as amended, for all employees under this subaward or contract who require routine physical access to a Federally-controlled facility or routine access to a Federally-controlled information system.*
- b. *The subrecipient or contractor shall account for all forms of Government-provided identification issued to the subrecipient or contractor employees in connection with performance under this subaward or contract. The subrecipient or contractor shall return such identification to the issuing agency at the earliest of any of the following, unless otherwise determined by DOC: (1) When no longer needed for subaward or contract performance; (2) Upon completion of the subrecipient or contractor employee’s employment; (3) Upon subaward or contract completion or termination.*

### **.13 Compliance with Department of Commerce Bureau of Industry and Security Export Administration Regulations**

- a. This clause applies to the extent that this financial assistance award involves access to export-controlled items.
- b. In performing this financial assistance award, the recipient may gain access to items subject to export control (export-controlled items) under the Export Administration Regulations (EAR). The recipient is responsible for compliance with all applicable laws and regulations regarding export-controlled items, including the EAR's deemed exports and reexports provisions. The recipient shall establish and maintain effective export compliance procedures at DOC and non-DOC facilities throughout performance of the financial assistance award. At a minimum, these export compliance procedures must include adequate controls of physical, verbal, visual, and electronic access to export-controlled items, including by foreign nationals.
- c. Definitions
  - 1. Export-controlled items. Items (commodities, software, or technology), that are subject to the EAR (15 C.F.R. §§ 730-774), implemented by the DOC's Bureau of Industry and Security. These are generally known as "dual-use" items, items with a military and commercial application.
  - 2. Deemed Export/Reexport. The EAR defines a deemed export as a release of export-controlled items (specifically, technology or source code) to a foreign national in the U.S. Such release is "deemed" to be an export to the home country of the foreign national. 15 C.F.R. § 734.2(b)(2)(ii). A release may take the form of visual inspection, oral exchange of information, or the application abroad of knowledge or technical experience acquired in the U.S. If such a release occurs abroad, it is considered a deemed reexport to the foreign national's home country. Licenses from DOC may be required for deemed exports or reexports.
- d. The recipient shall control access to all export-controlled items that it possesses or that comes into its possession in performance of this financial assistance award, to ensure that access to, or release of, such items are restricted, or licensed, as required by applicable Federal laws, E.O.s, and/or regulations, including the EAR.
- e. As applicable, recipient personnel and associates at DOC sites will be informed of any procedures to identify and protect export-controlled items.
- f. To the extent the recipient wishes to provide foreign nationals with access to export-controlled items, the recipient shall be responsible for obtaining any necessary licenses, including licenses required under the EAR for deemed exports or deemed reexports.

- g. Nothing in the terms of this financial assistance award is intended to change, supersede, or waive the requirements of applicable Federal laws, E.O.s or regulations.
- h. Compliance with this term will not satisfy any legal obligations the recipient may have regarding items that may be subject to export controls administered by other agencies such as the Department of State, which has jurisdiction over exports of munitions items subject to the International Traffic in Arms Regulations (ITAR) (22 C.F.R. §§ 120-130), including releases of such items to foreign nationals.
- i. The recipient shall include this clause, including this paragraph (i), in all lower tier transactions (subawards, contracts, and subcontracts) under this financial assistance award that may involve access to export-controlled items.

  - ii. Data Universal Numbering System (DUNS) number means the nine-digit number established and assigned by Dun and Bradstreet, Inc. (D&B) to uniquely identify business entities. A DUNS number may be obtained from D&B by telephone (currently 866-705-5711) or the Internet (currently at <http://fedgov.dnb.com/webform>).
  - iii. Entity, as it is used in this award term, means all of the following, as defined at 2 C.F.R. part 25, subpart C:
    - (A) A Governmental organization, which is a State, local government, or Indian Tribe;
    - (B) A foreign public entity;
    - (C) A domestic or foreign nonprofit organization;
    - (D) A domestic or foreign for-profit organization; and

iv. Subaward:

(B) The term does not include your procurement of property and services needed to carry out the project or program (for further explanation, *see* Sec. \_\_.210 of the attachment to OMB Circular A-133, “Audits of States, Local Governments, and Non-Profit Organizations”).

(C) A subaward may be provided through any legal agreement, including an agreement that you consider a contract.

(A) Receives a subaward from you under this award; and

(B) Is accountable to you for the use of the Federal funds provided by the subaward.

## **.16 Federal Financial Assistance Planning During a Funding Hiatus or Government Shutdown**

This term sets forth initial guidance that will be implemented for Federal assistance awards in the event of a lapse in appropriations, or a government shutdown. The Grants Officer may issue further guidance prior to an anticipated shutdown.

- a. Unless there is an actual rescission of funds for specific grant obligations, recipients of Federal financial assistance awards for which funds have been obligated generally will be able to continue to perform and incur allowable expenses under the award during a funding hiatus. Recipients are advised that ongoing activities by Federal employees involved in grant administration (including payment processing) or similar operational and administrative work cannot continue when there is a funding lapse. Therefore, there may be delays, including payment processing delays, in the event of a shutdown.
- b. All award actions will be delayed during a government shutdown; if it appears that a recipient’s performance under a grant or cooperative agreement will require agency involvement, direction, or clearance during the period of a possible government shutdown, the Program Officer or Grants Officer, as appropriate, may attempt to provide such involvement, direction, or clearance prior to the shutdown or advise recipients that such

involvement, direction, or clearance will not be forthcoming during the shutdown. Accordingly, recipients whose ability to withdraw funds is subject to prior agency approval, which in general are recipients that have been designated high risk, recipients of construction awards, or are otherwise limited to reimbursements or subject to agency review, will be able draw funds down from the relevant Automatic Standard Application for Payment (ASAP) account only if agency approval is given and coded into ASAP prior to any government shutdown or closure. This limitation may not be lifted during a government shutdown. Recipients should plan to work with the Grants Officer to request prior approvals in advance of a shutdown wherever possible. Recipients whose authority to draw down award funds is restricted may decide to suspend work until the government reopens.

- c. The ASAP system should remain operational during a government shutdown. Recipients that do not require any grant office or agency approval to draw down advance funds from their ASAP accounts should be able to do so during a shutdown. The 30-day limitation on the drawdown of advance funds will still apply notwithstanding a government shutdown and advanced funds held for more than 30 days will have to be returned with interest.
