Dear Jennifer

I am writing to you in response to your letter dated 9 August regarding the Request for appointment of co-chairs to the Second IANA Naming Function Review, as per the requirements under the ICANN Bylaws.

I am pleased to inform you that the ccNSO Council has appointed Peter Koch as IFRT2 co-chair.

Best regards,  
Alejandra

Dear Alejandra and Sebastien,

I'm pleased to let you know that the appointing organizations have completed the process to appoint members and liaisons to the Second IANA Naming Function Review Team (IFR2). Thank you for your help in this process.

Now that we have a complete slate of IFR2 membership, I have attached a formal request for the ccNSO and GNSO Councils to each appoint a co-chair from their appointed members per the Bylaws requirements. Thanks for your continued attention to this work.

Best,

Jennifer
