Dear Maureen and John,

In accordance with Section 10.3 (c) of ICANN Bylaws, ALAC and the ccNSO Council have agreed to exchange observers/liasons. I would like to inform you that the ccNSO Council has appointed Segun Akano (.ng) to replace Wafa Dahmani as ccNSO liaison to the ALAC, starting 14 March, 00.00 UTC. Wafa has been elected to the ASO AC.

Please kindly add Segun (segun.akano@upperlink.ng) at the appropriate time to the relevant mailing lists and send him details of any upcoming meetings.

For your information I have included the relevant section from the Guideline: ccNSO Liaisons and Observers (<https://ccnso.icann.org/sites/default/files/field-attached/guideline-liasons-observers-06dec18-en.pdf> [ccnso.icann.org]) on the expected roles and responsibilities from our appointed liaisons:

- To participate diligently and actively in the meetings and activities of the ALAC on an ongoing and long-term basis
- To communicate and advocate the positions of the ccNSO to the ALAC;
- To report to the ccNSO on current and upcoming activities of the ALAC that may be of relevance to the ccNSO and broader ccTLD community.
- If feasible and considered relevant ask to the ccNSO for advance guidance, if any, on matters that are going to be discussed by the ALAC.
- Participate in ALAC-ccNSO Council meetings agenda committee to prepare the f-2-f meetings, if any.

On behalf of the ccNSO Council,

Katrina Sataki,
Chair
