Notes:

1. Additional time may be provided for people taking an English language exam for whom English is not their first language (ESL).

The times listed above reflect the actual time allotted for taking the examination. Information from the Examination Provider may indicate a longer time frame that reflects the entire time required for the examination, which includes additional time for registration, tutorial, and a survey (typically an additional 15 minutes).

2. To prepare for a certification exam The Open Group recommends to attend an Accredited Training Course prior to taking the exam. Please note that we do not claim that by taking courses you are guaranteed to pass the certification exams, however we do state that training is an important component in certification preparation.

3. All Accredited Training Courses include the examination as part of the course fee. A voucher code is provided to take the exam at The Open Group Examination Provider's public test center. Payment can also be made direct to the Examination Provider at the time of booking. Local taxes may apply.
