**Retail Vouchers can be purchased in The Open Group Shop. They are subject to specific terms and conditions.

Examinations are priced in USD. In some countries and regions, additional taxes may apply.

Certification exams may also be priced according to currency values in specific countries and regions and may fluctuate from time to time with changes in exchange rate.

*** When booked together at Pearson VUE as consecutive exams to be taken in the same session at a test center, the ArchiMate 3 Part 1 and ArchiMate 3 Part 2 exams are automatically discounted.
