NEW: ODP Webpage

ICANN has launched a new home for the Operational Design Phase process:**https://icann.org/odp**. ICANN has also started the first ever ODP for the System for Standardized Access/Disclosure to Nonpublic Registration Data (SSAD) policy recommendations. Learn more about the SSAD ODP at the dedicated webpage **here**.

NEW: NCUC Webinar on Civil Society Participation at ICANN

The Noncommercial Users Constituency (NCUC) will hold a webinar titled “History of Civil Society Participation at ICANN” on **Thursday, 6 May 2020 at 12:00 UTC**, with participation from the At-Large Advisory Committee, Noncommercial Stakeholder Group, and the Not-for-Profit Operational Concerns Constituency.

The purpose of this webinar is to enhance civil society participation at ICANN. It will achieve this by outlining the history of civil society and explaining how civil society positions are developed in ICANN. The webinar will feature the chairs of the participating community groups sharing how their respective community groups participate in ICANN processes from the perspective of civil society and how they advocate for civil society positions at ICANN.

To join the webinar, please contact maryam.bakoshi@icann.org for participation details.
