NEW: Results of the Audit on Registrars' Compliance with DNS Abuse Obligations

ICANN Contractual Compliance has completed its audit of registrars' compliance with the Registrar Accreditation Agreement (RAA) requirements related to the mitigation of Domain Name System (DNS) abuse. The report summarizes the methodology and the results of the audit of 126 registrars who in aggregate manage over 90% of all registered generic second-level domain names.

NEXT WEEK: Nominations for NextGen@ICANN Mentor Positions

The NextGen@ICANN Program seeks nominations for its Mentor Program through **Tuesday, 31 August 2021**. The community-nominated selection committee will be responsible for overseeing the mentor selection process. Communities may choose to appoint program alumni and are encouraged to appoint active community members who have an interest in mentoring students. Guidelines for the program can be found [here](#).

Interested community groups should select their respective volunteers and notify deborah.escalera@icann.org.

New Public Comment Feature Launches 31 August!
