ICANN Final Determination

Re: Notice of Registry Operator Request for Termination of Registry Agreement - .cityeats

On 06 July 2023, Lifestyle Domain Holdings, Inc. notified ICANN org of its intent to terminate the .cityeats Registry Agreement entered into on 11 December 2014. Pursuant to Section 4.4(b) of the Registry Agreement, Registry Operator may terminate the Registry Agreement for any reason upon one hundred eighty (180) calendar day advance notice.

Pursuant to the terms of Section 4.5 of the Registry Agreement, ICANN org consulted with Lifestyle Domain Holdings, Inc. to assess whether to transition operation of the .cityeats top-level domain (TLD) to a successor Registry Operator.

On 28 August 2023, ICANN org made a preliminary determination that operation of the .cityeats TLD need not be transitioned to a successor Registry Operator based on the following rationale:

ICANN org's review and determination regarding transition to a successor registry are subject to Section 4.5 of the Registry Agreement and are based on various factors, including ICANN org's assessment that transitioning the TLD is not necessary to protect the public interest. Lifestyle Domain Holdings, Inc. attested and ICANN org confirmed that there are no domain name registrations in the .cityeats TLD beyond those required by the Registry Agreement.

On 27 September 2023, after a 30-day period for comments by interested parties, no comments were received. Pursuant to Section 4.4(b) of the Registry Agreement, ICANN org will proceed to terminate the .cityeats Registry Agreement by 02 January 2024.
