## WORK. LIFE. PERFECTLY BALANCED.

Some meetings take place in boardrooms. Others happen in parks or cafés. That's why there's the new Treo™ Pro smartphone by Palm, thoughtfully designed for people who define their workday the way they see fit. You can respond to business and personal email, stay on top of appointments and contacts, and use Wi-Fi or GPS when you're out and about! Thanks to Palm shortcuts, a full keyboard and a large color touchscreen, the Treo Pro is simply effortless to use. Speaking of uncomplicated, you'll love the design. It's thin and elegant, but still packs plenty of battery power for a life on the go. The Treo Pro. Perfectly balanced.
