

2018 New Media Film Festival® Award Winners.

Jeff Bridges, who was awarded Socially Responsible Conservationist Award said "Thanks to the New Media **Film Festival**® for honoring me with the Socially Responsible Conservationist Award, that's really beautiful, it means a lot to me. And thanks for supporting our film, Living in Futures Past".

Like Jeff, many other creators from different world destinations were honored at the **New Media Film Festival**® Event. Announcing the Top 25 new Media Award Winners for the right talents under different categories, full listing here:
