The **ACM Special Interest Group on Accessibility and Computing** (SIGACCESS) promotes the professional interests of computing personnel with disabilities and the application of computing and information technology in solving relevant disability problems. The SIG also strives to educate the public to support careers for people with disabilities. The *Accessibility and Computing* online newsletter publishes three times a year. SIGACCESS sponsors the ASSETS conference.

The **Association for Computing Machinery** (ACM) is an educational and scientific computing society which works to advance computing as a science and a profession. Benefits include subscriptions to *Communications of the ACM*, *MemberNet*, *TechNews* and *CareerNews*, full and unlimited access to online courses and books, discounts on conferences and the option to subscribe to the ACM Digital Library.
