Dear Mme Kosciusko-Morizet,

As you take on your new duties as Ministre de l'Écologie, du Développement durable, des Transports et du Logement, please let me express my warmest congratulations.

This is a very important portfolio as France embarks on a new leg of its journey towards sustainable integration and world competitiveness and I'm sure the great experience you bring to this role will make it a success.

I'd like to thank you for the interest you've demonstrated for ICANN, witnessed recently by our very useful meeting in Vilnius.

Let me also express my appreciation for France's longstanding engagement in ICANN, notably with your presence in the Government Advisory Committee.

Best regards,

Rod Beckstrom
