Greetings,

It has been brought to my attention that I am listed as a signatory to a recent communication sent on 21 September 2009 urging ICANN to take immediate steps to implement support for new gTLDs (“Letter from Antony Van Couvering, Paul Stahura, Jonathon Nevett, et. al. to Messrs. Beckstrom, Dengate-Thrush, Brent, Pritz”, posted on the ICANN web site at <http://www.icann.org/correspondence/van-couvering-to-beckstrom-21sep09-en.pdf>).

My signature on this communication was used without my explicit permission. I am therefore **NOT** a signatory to this communication, and the contents of this communication **DO NOT** reflect my views, nor the views of the entities that I represent, with respect to the subject matter of the communication.

Please take the necessary steps to rectify this situation on your web site in a timely manner.
