Re: ccNSO Policy Recommendations on IDN ccNSO Issues

Dear Heather,

Pursuant to Article XI, Section 2.1.j of the ICANN Bylaws, this letter is to formally notify the GAC that the ccNSO Council has approved policy recommendations on the IDN ccNSO Policy Development Process. The report provided to the Board on these recommendations is included with this letter.

The Board formally received this report on 23 October 2013, and intends to consider the policy recommendations contained within the report at its first regularly scheduled meeting following ICANN 48 in Buenos Aires. In the event that the GAC believes there are public policy issues that arise from these recommendations, and provides advice accordingly on those issues, ICANN will take the GAC's advice into account on this matter as set forth in the Bylaws.

Sincerely,

Stephen D. Crocker
Chair, ICANN Board of Directors
