Dear Jon,

Thanks for your personal and warm letter. I know this is a busy time for you, and I appreciate the special attention.

I think we share common cause that protection of consumers is vital to a strong and trustworthy marketplace, and I hope our efforts will continue to be seen as headed in the right direction and effective in getting there.

It has been a pleasure working with you, with Commissioner Brill, with Shaundra Watson, and the rest of the FTC staff. Your tenure at the Federal Trade Commission has been productive and effective, and I wish you continued success in your next ventures. On a personal level, I have enjoyed our interactions and would be delighted if further opportunity arises.

Sincerely,

Stephen D. Crocker
Chair, ICANN Board
