Re: Notice of Fee Increase

Dear Mr. Chehadé,

By this letter, Afilias Limited hereby provides notice to ICANN that the Maximum Service Fee (as defined in the .INFO Registry Agreement) for annual increments of initial and renewal domain name registrations (including renewals associated with transfers from one ICANN-accredited registrar to another) in the .INFO registry will change to US\$8.16 effective as of 00:00 UTC on 1 September 2013. This notice is provided pursuant to the requirements of the .INFO Registry Agreement.

Prices for other INFO services are unaffected by this change except insofar as any domain year charges apply.

Please share this information within your organization as you deem appropriate.

As always, should you have any questions, feel free to contact me.

Best regards,

Roland LaPlante  
SVP & Chief Marketing Officer
