Dear Dr. Crocker:

We are sending this letter in support of Far Further/.music LLC's application for the .music Top-Level Domain.

Sociedad de Productores Fonográficos y Videográficos de Chile, PROFOVI. Our mission supports the development sustainable music sectors worldwide, to create awareness about the value of music, to make music matter in all social aspects.

With this in mind, it is of utmost importance that the .music Top-Level Domain be operated in the best interests of the music community. We believe that the .music gTLD should be granted to Far Further's .music LLC, which already has the support of the global music community, as evidenced by the unparalleled endorsement from the recognized and established national and international, community-based music organizations.

We want to do our part to ensure that the .music TLD is operated in the best interests of the legitimate music community and not simply auctioned off to the highest bidder. The principals behind Far Further have deep knowledge of, and experience in, the music community, and will operate the gTLD in a manner that respects and protects authors and owners' rights in copyrighted music and promotes the legitimate distribution and enjoyment of music for everyone. We have carefully reviewed their programs and we are confident in their experience and expertise regarding all aspects of operating this particular domain.

Therefore, PROFOVI supports and endorses the application by Far Further (or its subsidiary .music LLC) to operate the .music gTLD for the music community under the string ".music" for the benefit of the music community.

Sincerely,

A handwritten signature in blue ink, consisting of several loops and a long horizontal stroke extending to the right.
