Mr. Göran Marby
President & CEO
ICANN

Dear President & CEO Marby,

Thanks for your visiting to Internet Society of China (ISC), and we had a really pleasant and enlightened dialogue.

We appreciate your encouragement and recognition of work and efforts done by ISC. It is an honor to be one of the ICANN At-Large Structures, and to devote ourselves in ICANN. To better play the role of promoter and coordinator in Chinese Internet community, ISC will keep moving forward and further expand the cooperation with ICANN related communities.

Once again, I would like to express sincere gratitude to you and your team, and look forward to having more exchanges with you in future.

Yours sincerely,

Gao Xinmin
Vice President
Internet Society of China
