ICANN FY19 Operating Plan and Budget Overview

ICANN FY19 Budget Highlights Introduction

This document provides key highlights and an overview of the FY19 Budget as presented in the Adopted FY19 Operating Plan and Budget that was published for public comment on January 19, 2018. It summarizes ICANN's planned FY19 activities for its financial year ending 30 June 2019. The key changes made as a result of public comment and some corrections are summarized below.

The operations of Public Technical Identifiers (PTI) are a part of ICANN's total operations and these planned activities are included in the ICANN budget.

ICANN welcomes and recognizes the diverse participation from stakeholders as we've continued to evolve ICANN's planning process (including the strategic plan, operating plan, budget or on-going operational and financial updates).

Highlights - FY19 Operating Plan and Budget Changes from Draft to Final

As a result of public comments received and new information on the Operating Plan and Budgets by portfolio and projects below is a summary of the key changes from the Draft FY19 Operating Plan and Budget that was published for public comment:

Changes to Funding

- Meeting Sponsorships reduction – external sponsorships for ICANN meetings has decreased (\$0.3M)
- Increase in rate of growth for Legacy TLD transactions \$0.7M
- Decrease in rate of growth for New gTLDs transactions (\$1.7M)
- Decrease in Registry Fixed Fees (\$0.6M)
- Increase in Registrar Accreditation Fees \$1.7M.

Key Changes to Cash Expenses

- Fellowship Program Travel Funding \$151K: increase from 30 to 45 seats per meeting, and allocate the fellows to the SO/ACs for direct support during ICANN meetings.
- Community Regional Outreach Program \$50K: reinstate for travel support to ICANN-sponsored meetings (excludes sponsoring travel to non- ICANN meetings)
- ICANN Wiki \$66K: fund 2/3 of historical contribution in FY19, with progressive elimination of support over next 2 years.
- The funding of reviews has been reduced by \$0.8M, and a portion of the Contingency has been reserved for additional funding of reviews, should it be necessary.

-
- GDPR estimates have been revised by \$1.2M due to new information on the resource requirements needed from ICANN org legal team for internal and Whois work.

FY19 Budget Highlights: ICANN Operations Overview

ICANN Operations FY19 funding is \$138 million and the baseline expenses total \$138 million. This results in a balanced budget.

ICANN Operations	FY17 Actuals	FY18 Adopted Budget ¹	FY18 Forecast ²	Adopted FY19 Budget
Funding	\$135	\$143	\$135	\$138
Cash Expenses	\$128	\$143	\$137	\$138

(1) The IANA Stewardship Transition Project Costs are reimbursed from the Reserve Fund every six months for the previous six months of expenses. The FY19 impact represents the project expenses for the second half of FY18 (expenses incurred from January 2018 through June 2018) only as the program concluded in FY18.

The above positions for the Operating Fund and Reserve Fund do not reflect the effect of potential decisions to be considered and approved by the Board that could affect these positions, for example, a replenishment of the Reserve Fund by an allocation from the Operating Fund. Such Board decisions are made using the audited financial statements of each fiscal year, which are available by the end of October of every year, for the fiscal year closed on the previous 30 of June.

ICANN's investment policies for the Reserve Fund and the New gTLD/Auction Proceeds are published on ICANN.org at:
