Hi, my name is Alberto Urra Ríos. I was doing some research about my name and I found this three registrations in your data base.

I don't really understand what they mean, I see it is something about fake profiles. I don't really like this coming in the second page on a Google search.

I'm sending you attached what I've found. Please find a .jpg attached.

I'm also sending my passport to make clear that I am who I say I am.

Could you please remove this entrances form your data base?

Also wanted to say that I don't know the people in those entrances

Dr.Lavanya. No idea who this is

Rafik Dammak, same, I don't know this people

Diego González del Río, no idea who is also.

If you need any more information to clear my profile please don't hesitate to contact me so I can provide.

Thank yo very much for your help.

Regards

Alberto Urra Ríos
