IT IS HEREBY ORDERED THAT:

The Application of Plaintiff Internet Corporation for Assigned Names and Numbers ("ICANN") for Temporary Restraining Order is hereby GRANTED.

IT IS FURTHER ORDERED THAT:

1. Defendants RegisterFly.Com, Inc., and UnifiedNames, Inc., and all of their officers, directors, agents, or representatives (collectively referred to as "RegisterFly"), and all persons or entities in active concert with or under common control by or with the above listed, are hereby directed *immediately*, in accordance with Sections 3.4 and 3.6 of the Registrar Accreditation Agreement ("RAA") between ICANN and RegisterFly, to provide ICANN with a complete copy of all registrant data for all Internet domain names that RegisterFly services as an ICANN-accredited Registrar, including the registration data for the equitable registrants of those domain names currently identified as registered by a proxy registration service, such as "ProtectFly" (the "Data"). In providing ICANN with this Data, RegisterFly is enjoined and restrained from altering or destroying any of the Data prior to making the copy. RegisterFly is further directed to provide ICANN a complete and current update of the Data on a recurring weekly (once every seven days) basis.

- 4 • the expiration date of the registration;
- 5 • the name and postal address of the Registered Name Holder;

- 13 voice telephone number, and fax number of the billing contact;
- 14 • any other Registry Data that the registrar has submitted to the
- 15 registry operator or placed in the registry database.

16 For the registration data for the equitable registrants of those domain
17 names currently identified as registered by a proxy registration service, such as
18 "ProtectFly", the Data referred to in this Order must include all of the information
19 specified above, however all of the name, address, contact and billing information

8. RegisterFly, and all persons or entities in active concert with or under common control, are enjoined immediately from taking any actions to interfere with ICANN's rights to inspect and audit all of RegisterFly's registration Data under Section 3.4.3.
