WORK EXPERIENCE

MICROBOSS TECHNOLOGIES, ABUJA.

NOVEMBER 2014 – DATE

“A tech firm I founded to provide global I.T. services to the African market”.

FISCAL RESPONSIBILITY COMMISSION, ABUJA (PRESIDENCY)

MARCH 2010 – OCTOBER 2014; SPECIAL ASSISTANT (DEPUTY DIRECTOR), STRATEGIC COMMUNICATIONS.

“FRC is that Organ of Government vested with powers to enforce financial discipline in the management of Nigeria’s economic resources”

- Served as Special Assistant to the Commissioner representing the South West Geo-Political Zone of Nigeria in the Commission.
- Initiated and followed through on the process that cumulated in the Commission adopting its Logo, and helped to promote it into a strong brand, still in use today.
- Served on the I.C.T. steering committee of the Commission from 2010 till my exit in 2014.
- Produced the working papers and technical scopes used by the Commission in the design of its Online linkage Project and expanded its coverage to connect the National Assembly complex Abuja, Federal Ministry of Finance, Office of the Accountant General and FRC Annex office and over 50 other Federal agencies, with no variation on the initial contract sum.
- Supervised the implementation of the first Wireless LAN at the Commission’s headquarters, re-modifying the scope to allow for an integrated back-up power network and other value added services not previously scoped and remitted back unspent funds remaining as a result of cost saving measures introduced while managing the project.
- At various times designed technical scopes for tender and procurement exercises covering an array of ICT needs at no cost to the Commission.
- Saved the Commission Millions of Naira in advisory and consultancy services for its I.C.T. evolution, working closely with a team of consultants and in-house project integrators.

WEBB ENERGY LTD. - ABUJA

NOVEMBER 2009 – FEBRUARY 2010; BUSINESS DEVELOPMENT & OPERATIONS MANAGER.

“Webb Energy is a mid-sized Oil & Gas Company operating in Nigeria and the Gulf of Guinea with contracts in Shell & Total.”

- Responsible for the daily operational management of the company office in Abuja.
- Directly responsible for the administration of an exclusive 5year contract with Shell Nigeria for I.T. Support, coordinating purchase, support and business development issues between SPDC, Webb Energy and International software vendors providing services to Shell.
- Made daring efforts at reclaiming debts worth over \$40,000USD inherited by my team of which \$9,000USD was recovered under my leadership whilst in their employment.

M.T.V. NIGERIA LIMITED – WARRI

NOVEMBER 2001 – SEPTEMBER 2002 (INDUSTRIAL ATTACHE).

“An Oil Servicing Company with its Headquarters in Warri.”

- Served as a Computer Operator Desktop Publisher & Graphics Designer for project works.
- Served as the companies’ Community Relations Officer at “Odidi 1” a host community of Shell Petroleum Development Company, for the purpose of the “ISO 14001 ZERO DISCHARGE & WASTE BIN SHED CONSTRUCTION PROJECT”.
