

Statement of Interest for RZERC

Member:

Geoff Huston (SSAC)

Affiliation and current position:

Chief Scientist, APNIC Pty Ltd

Type(s) of work performed:

I lead APNIC's research program that examines topics related to IP name and address infrastructure and their use. This includes issues of inter-domain routing, the domain name system, the state of the transition to IPv6 and related areas. My recent work has focused on large scale measurement exercises, looking at the network from the perspective of the end user.

Please list financial or other material relationship beyond de minimums stock ownership that you, your employer, or an immediate family member/significant other has with ICANN or with any individual, company, or other entity that to your knowledge has a current or planned financial or other material relationship with ICANN:

APNIC has entered into a number of research agreements with ICANN in support of a collaborative research program undertaken with members of ICANN's Office of the Chief Technology Officer. I am unaware of any other financial or material relationships personally or through APNIC Pty Ltd.
