Dear Mr. Stanton,

Thank you for your liaison letter contributing Avnu Alliance™ “Best Practices Industrial Theory of Operations for TSN-enabled Systems” Version 1.0 to the IEC/IEEE 60802 Joint Project. The document and related further contributions will be considered in the development of the IEC/IEEE 60802 specification.

We look forward to continuing the cooperation between our organizations.

IEEE 802.1 meets again 14-18 January 2019 in Hiroshima, Japan and 11-15 March 2019 in Vancouver, BC, Canada. IEEE 802.1 face-to-face meeting details are available at: <http://www.ieee802.org/1/meetings>.

Respectfully submitted,
Glenn Parsons
Chair, IEEE 802.1 WG
