

IEEE 802.1 Maintenance Interim

Santa Cruz, CA

September 12, 2012

September 12, 5:30-8pm PT – Minutes

Attendees: Glenn, Tony, Mick, Pat, Norm, Craig, Anoop, Brad, Jessy, Mark, Jeff, Janos, John, Steve, Don, Panos, Craig, Andre

Conference bridge attendees: Aaron, Bob

1. The chair read the patent policy and made the call for patents. There were no responses to the call.
2. The group discussed the potential comments and logistics of the Q-REV project
  - a. Tony Jeffree as editor will prepare an 802.1Q-2012 edition for November. It will be the base text of the revision project and include all 7 amendments plus Q-Cor-2. This will be offered for sale.
  - b. Tony Jeffree as editor will prepare an 802.1Q revision draft including maintenance items and proposals for the D+Q merge and .1AC alignment
  - c. Panos Saltsidis will prepare a review of clause 8 and make a proposal for the necessary changes to facilitate a D+Q merge. A follow-on proposal on Clause 5 and the PICS will then be needed.
  - d. Discussion on Q-REV will be held in Interworking TG at future meetings
3. Tony resolved the ballot comments on the WG ballot of AB-Cor-1 D0.0
  - a. It was clarified that AB-Cor1 discussions would be held in the Maintenance TG
  - b. All comments were accepted  
<http://www.ieee802.org/1/files/private/ab-cor-1-drafts/d0/>
  - c. Tony Jeffree will prepare the draft for working group ballot
  - d. Agree to propose 802.1 email motion to initiate ballot
4. We continued to process the existing status updates.
  - a. .1Qbg and .1aq are now published, the relevant items will be concluded – except 0008 which was not completely implemented
  - b. 0036 & 0037 on MEPAActive were rejected as one state is sufficient, but text will be added to clarify this. Norm Finn will propose text.
  - c. See the session slides (<http://www.ieee802.org/1/files/public/docs2012/maint-parsons-session-0912-v2.pdf>) and web-site (<http://www.ieee802.org/1/maint.html>) for complete details and discussion
5. Detailed review of new maintenance requests from UNH-IOL
  - a. Agree to review details of these proposals in the Maintenance TG and to target to 802.1Q-REV if the items are agreed

- b. All MRP (0057, 0042, 0043, 0044 & 0045) & MVRP (0046, 0047, 0048) items were deferred to Mick Seaman for detailed review
- c. Many MSRP items (0050, 0052, 0053, 0054, 0055 & 0056) deferred to Craig Gunther & Andre Fredette for detailed review
- d. See the session slides (<http://www.ieee802.org/1/files/public/docs2012/maint-parsons-session-0912-v2.pdf>) and web-site (<http://www.ieee802.org/1/maint.html>) for complete details and discussion
