Thank you for your liaison statement (ref #055.01) informing the last call on the MPLS working group document:

- "Multiprotocol Label Switching Transport Profile (MPLS-TP) MIB-based Management Overview" (draft-ietf-mpls-tp-mib-management-overview-04.txt)

Thank you for adequately address our comments raised (ref #048.02) on the early review version (mib-management-overview-02).

Additional comments from the ITU-T experts have been collected based on their review on the mib-management-overview-04 draft. Attached is the marked up version of the draft, which includes the comments including minor editorial changes, to help the editing work.

Attach: Marked up version of mib-management-overview-04 draft.
