**Subject: Announcement of New Standards Work:
Security Management System (TMOC Issue 56)**

Fellow Industry Leaders:

The purpose of this correspondence is to inform you that the TMOC (Telecom Management and Operations Committee, Formerly T1M1 OAM&P Committee) recently accepted Issue 56, *Security Management System* work item. Please refer to the following links for relevant information regarding this new issue.

- **TMOC Web Site**
<http://www.atis.org/0130/index.asp>
- **TMOC Issue Book (containing Issue 56 in the *In Progress Issues* spreadsheet)**
<ftp://ftp.t1.org/T1M1/NEW-T1M1.0/3M101753.xls>
- **Initial Contribution (not fully vetted) Toward Issue 56**
<ftp://ftp.t1.org/T1M1/NEW-T1M1.5/3M151120.zip>

Issue 56 has been assigned to the TMOC-AIP (Architecture, Interfaces and Protocols, formerly T1M1.5) Subcommittee. The initial deliverable associated with this new issue will be an American National Standard (ANS). In addition the subcommittee is planning to contribute this work toward an ITU-T recommendation. The ANS completion date (final balloting) is targeted for June 30, 2005.

The majority of the subcommittee's work will be accomplished via virtual meetings and the subcommittee will also meet during TMOC's face-to-face meetings. The TMOC-AIP virtual meeting schedule for Issue 56 in 2004-2005 is as follows (see attachment for a highlighted calendar):

- Next conference call on Friday, September 17, 2004, 10:00 a.m. – 11:00 a.m. (Eastern, New York time)
- *Recurring 2004 Virtual Meetings: Every three weeks from September 17, 2004, on Fridays, 10:00 a.m. – 11:00 a.m. (Eastern, New York time)*
- *Recurring 2005 Virtual Meetings: Starting on January 7, 2005 and recurring every three weeks from January 7, 2005, on Fridays, 10:00 a.m. – 11:00 a.m. (Eastern, New York time)*
- Adjustments to schedule will be made as appropriate (e.g., cancellations due to holidays)
- The last virtual meeting will be announced sometime in 2Q2005.
- **Phone Bridge:** 1-800-416-8128 or 1-703-788-0600; Participant Code: 621567#

It is highly recommended all interested parties (e.g., personal liaisons to TMOC) participate in the regularly scheduled virtual meetings and provide their input directly to the subcommittee. Formal liaison/correspondence is also welcome.

We look forward to your input and participation on this important security topic. Please contact me if you have any comments, questions, or concerns.

Best regards,

Mike Fargano
TMOC Chairman
