Thank you for providing the MPLS-TP OAM requirements (draft-ietf-mpls-tp-oam-requirements-02.txt) for our review.

The ITU-T SG15 experts have reviewed the above draft.

There were two comments on which we could not achieve a consensus and it was agreed that these comments will be addressed by using both the ITU-T ahmpls-tp@lists.itu.int and the IETF mpls-tp@ietf.org lists.

The ITU-T SG15 experts would like to have an opportunity to review the resolution of these two comments in the next version of the above draft.
