Q.7/13 (previously known as Q.5/13) would like to inform you that we have completed our work on Ethernet-MPLS network interworking and are sending this draft for consent. The draft Recommendation is now known as Y.1415, "Ethernet-MPLS network interworking – user plane interworking".

Q.7/13 would like to thank the PWE3 working group for their continued cooperation on matters of common interest.
