Email: hhelvoort@huawei.com

The experts of Q10/15 would like to inform you that it was agreed that consenting G.8112 “Interfaces for the MPLS-TP Hierarchy” is based on the availability of both recommendations G.8110.1 and G.tpoam.

This means it will not be consented in the June plenary meeting of SG15.

The RFC – Recommendation dependency has been updated to reflect this agreement.
