Working Party 5A

LIAISON STATEMENT TO EXTERNAL ORGANIZATIONS[*] ON THE REVISION OF RECOMMENDATION ITU-R M.2084-0

Radio interface standards of vehicle-to-vehicle and vehicle-to-infrastructure communications for Intelligent Transport System applications

Recommendation ITU-R M.2084-0 <http://www.itu.int/rec/R-REC-M.2084-0-201509-I/en> – Radio interface standards of vehicle-to-vehicle and vehicle-to-infrastructure communications for Intelligent Transport System applications was published in 2015. Currently, WP 5A is working on revising Recommendation ITU-R M.2084-0 with the updated radio interface information.

WP 5A invites external organizations to submit updated information if any on the technical standards characteristics, and will consider the input contribution material during its drafting process at the meeting in November 2017, upon receiving them prior to 16:00 (UTC) on 30 October 2017. WP 5A expects to finalize this Revision at its November 2017 meeting.

Status: For action
