ns-3 Annual Meeting

June 3 - 7, 2024, CTTC, Castelldefels, Spain

Join us for the twelfth annual meeting of the NS-3 Consortium[1] in June 2024, hosted by the Centre Tecnològic de Telecomunicacions de Catalunya (CTTC), Castelldefels, Spain. Several events will be held in series, and attendance is open to everyone.

Monday, June 3	Tuesday, June 4	Wednesday, June 5	Thursday, June 6	Friday, June 7
TBD	TBD	Workshop on ns-3	Workshop on ns-3 NS-3 Consortium Annual Meeting	Developer meetings

Monday and Tuesday

To be announced at a later date; most likely, tutorials and training sessions.

Wednesday and Thursday morning (Workshop on ns-3)

The Workshop on ns-3 (WNS3) is a multiple track workshop. The objective of the workshop is to gather ns-3 users and developers, together with networking simulation practitioners and users, and developers of other network simulation tools, to discuss the ns-3 simulator and related activities. This is the tenth annual edition of the Workshop and the first to be held in Asia. The main agenda will be the presentation of accepted papers, but in addition, a poster and demo session will be held.

Thursday afternoon (NS-3 Consortium Annual Meeting)

On Thursday, the NS-3 Consortium Annual Meeting will be held in the afternoon. This meeting will consist of an overview and future plans for the open source project and the consortium activities.

Friday (Developer meetings)

As in years past, we will hold developer discussions following the Workshop on ns-3 regarding the future software development of the simulator. These meetings will allow ns-3 developers and maintainers to discuss topics face-to-face, and work on the code. The developer meetings are free and open to anyone; an agenda will be put together depending on interest and availability of attendees.

Local Information

The events will be held at the Centre Tecnològic de Telecomunicacions de Catalunya (CTTC), Castelldefels, Spain. Directions on how to get to CTTC, Castelldefels can be found online[2].
