

DNS PERSONAL DATA CONSENT FORM – FORM PDCF001/2018

I, the undersigned, being the listed 2a registrant for the domain name _____ recognize that local and international data protection laws, regulations and policies may require ZARC to display and/or process generally accepted personal identifiers such as my name, email, physical and postal address, telephone, and fax numbers as part of the domain registration process and/or contract compliance processes.

I hereby freely and voluntarily give consent to ZARC and/or its affiliates, subsidiaries and 3rd party contractors, involved in the provisioning of domain name registration services, to collect, process, record, store, transfer (including trans-border transfer arising out of escrow obligations) and display my personal identifiers on the registrant, billing, administrative and technical fields of the prescribed Registry Whois Database for one or more of the purposes set out in ZARC's Privacy Policy, Version 001/2022 dated 01 October 2022 available on <https://www.registry.net.za> . Note that such disclosure will not apply where I make use of privacy proxy services as the relevant service provider's details and not my personal data will in any event be displayed in the Whois or any equivalent services.

In summary, ZARC is permitted to use my personal information for, inter alia, the following purpose/s:

- ▶ To process domain name registration requests submitted directly via the Legacy Domain Name System (LDNS) or indirectly through a .ZA-accredited Registrar using the EPP domain name registration platform.
- ▶ To investigate and mitigate against abusive domain name registration conduct or practices.
- ▶ To conduct compliance audits and verification against eligibility criteria if applicable; and published Registry Terms and Conditions and Policies, for example, Whois accuracy and completeness checks.
- ▶ To maintain continued integrity, stability, resilience of the registry system and its ancillary services
- ▶ To enable ZARC to manage any account I may have with them, including information required for collection of monies payable for provision of domain name registration and related services.
- ▶ To conduct data analytics for the purpose of improving the quality of registry services, registrar and end user experience.
- ▶ Marketing, advertising and promotional information about ZARC's products and services.

I further confirm that the information provided on the registrant/billing/administrative/technical fields are true and correct and that I have read and understood ZARC's Privacy Policy, Version 001/2022 dated 01 October 2022 and the Registry's published Terms and Conditions.

I also confirm that this consent shall remain effective for as long as I am the listed 2a domain name registrant and may be withdrawn in writing by sending a request to that effect to the relevant service provider and/or reseller that is responsible for managing my domain name.
