

PRIVACY NOTICE – SESAR JU mobile App (record reference number: 16)

SESAR JU mobile App involves processing of personal data, which shall comply with Regulation (EU) N° 2018/1725¹ (the “Regulation”).

This privacy notice explains how the SESAR JU uses any information you give to us, and the way we protect your privacy. Furthermore, it describes the rights you have as a data subject and how you can exercise these rights.

SESAR JU protects the fundamental rights and freedoms of natural persons and in particular their right to privacy with respect to the processing of personal data.

We provide the following information based on Articles 14-16 of the Regulation.

What is the purpose of the processing?

- For SJU most important events, this app will be used to help participants to plan, attend, follow the event as well providing them opportunities for networking with other participants.

Which personal data do we process?

Personal data such as name and email address, necessary for the use of the app.

Other personal data (e.g. organisation, function, LinkedIn account etc.) might be processed if shared by the data subject on a voluntary basis

Why do we process your personal data and under what legal basis?

- Explicit consent Article 5 (1)(d) of Regulation 2018/1725

Who is the controller and other actors involved in the processing?

Controller: The SESAR JU, legally represented by Richard Frizon, Avenue Cortenbergh 100, 1000 Brussels

Processor: The SESAR JU mobile application is hosted on a platform created by the company [Whova](#). The SJU’s contract with this company is managed by [20 Seconds to Midnight \(20STM\)](#).

How is SESAR JU processing the personal data?

When downloading and signing-up for the mobile app, users will provide their email address and their name. Only the name is shared by default with other participants. Users may add voluntarily more information about them (e.g. organisation, function, LinkedIn account etc.). An attendee can also choose not to be visible to other attendees.

Users of the SESAR mobile application are asked to adhere to the privacy policy terms set by Whova which describe how data are used and stored and how can users remove their data from the SESAR JU mobile app (privacy policy available here: <https://whova.com/privacy/>).

See <https://www.sesarju.eu/dataprotection> for more information.

¹ Regulation (EU) N° 2018/1725 of the European Parliament and of the Council of 23 October 2018 on the protection of natural persons with regard to the processing of personal data by the Union institutions, bodies, offices and agencies and on the free movement of such data, and repealing Regulation (EC) No 45/2001 and Decision No 1247/2002/EC (“EUDPR”).

How do we protect and safeguard your information?

- Appropriate technical and organisational security measures, giving due regard to the risks inherent in the processing and to the nature of the personal data concerned
- Secure communication channel between server and client

Who can access to your personal data and to whom is it disclosed?

- Our processor 20 Seconds to Midnight and the Whova platform
- Other users of the SESAR app, but only for those personal details that the data subject agreed to share with other attendees

What are your rights and how can you exercise them?

You have the right of access to your personal data and to relevant information concerning how we use it. You have the right to rectify your personal data. Under certain conditions, you have the right to ask that we delete your personal data or restrict its use. You have the right to object to our processing of your personal data, on grounds relating to your particular situation, at any time. In addition, you have the right not to be subject to a decision based solely on automated processing of data, including profiling, if such decision has legal effect on him or her, except for certain situations, such as entering into a contract (as required by articles 14-16 & 24 of the Regulation).

Information on action taken on the data subject's request to exercise her/his rights shall be provided without undue delay and in any case within one month of receipt of the request. In case of complex or voluminous requests, this period may be extended by another two months, in which case the JU will inform the data subject.

Data subjects have the **right to withdraw their consent at any time** by sending a written request to communications@sesarju.eu. Please note that withdrawing your consent does not affect the lawfulness of any processing based on your consent before its withdrawal.

The content of these rights is detailed in the [Data Protection Notice page in SJU website](#) which contains also information about the contact points and recourse (including EDPS <http://www.edps.europa.eu> and edps@edps.europa.eu, and SJU DPO sju.dataprotection@sesarju.eu) as well as detailed information on the exercise of the rights.

Possible restrictions as laid down in Article 25 of the Regulation and the upcoming SJU decision on restrictions may apply.

How long is the data retained?

- Registration data in SESAR mobile App is stored on the mobile application for a period of 12 months, after which, they are deleted.

Complaints, concerns and recourse

Should you have any complaint or concern you may contact:

- the Communications team at communications@sesarju.eu, and/or
- the Data Protection Officer of the SESAR JU at sju.data-protection@sesarju.eu

In addition, as a data subject, you have a right to recourse to the European Data Protection Supervisor (EDPS) at any time by e-mail to edps@edps.europa.eu or a letter to the EDPS postal address marked for the attention of the EDPS DPO:

European Data Protection Supervisor, Rue Wiertz 60, B-1047 Brussels, Belgium

For more information on the EDPS, please consult their website: <https://edps.europa.eu>

Additional information

More information on Data Protection at the SESAAR JU can be obtained in the [SJU register of data processing operations](#) and in the privacy notices published in the [SESAAR JU web site](#). This privacy notice is made available to data subjects when downloading the app, where there is an explicit opt-in with a link to this privacy policy.
