

Verisign Operated TLD/GTLD Zones

Version: 1.07

Effective Date: February 14, 2024

Abstract

This document is the auxiliary document of “DNSSEC Practice Statement for the TLD/GTLD Zones”. It lists the TLD/GTLD Zones operated by Verisign. Verisign is either (1) the delegated Registry Operator for the TLD/GTLD Zones under contract with the Internet Corporation for Assigned Names and Numbers (ICANN), or (2) operating back end registry services under contract to the Registry Operator who has designated Verisign as the Technical Contact in Internet Assigned Numbers Authority’s (IANA) Root Zone Database.
